Knop, 1987-01-01      *Basic Conversational French* J. E. Harris, 1956      Conversational French Quick and Easy - PART III Yatir Nitzany, 2020-05-25 Do you want to learn how to speak French but think you don't have the time Then this series of language books is for you What you hold in your hands is the culmination of the author's personal learnings discovered while traveling He has now found a way to teach this to others so take advantage of this teaching tool that has been split over three parts Conversational French Quick and Easy Part 3 is the third book and it supplements Parts 1 and 2 In Part 1 you learn 350 essential keywords In Part 2 you supplement the core list of words with sentences that were designed to help you learn fast and with a unique method Part 3 is what you now hold in your hands and it is the culmination of one of the most advanced and revolutionary methods ever designed for quickly becoming conversational in a language In combination these three books with their unique teaching and format will help you master the language to even greater proficiency and quicker than with other courses If your previous attempts at learning French have seemed slow and never ending then what you need is this entirely new method The combination of core words and sentences will have you speaking French in no time This method is flawless and has proven itself over and over again It has worked for the author and thousands of others It surpasses any other language learning method system on the market today This third book includes such issues as language to use in an office daily activities like going to the bank and school common themes such as finances and essential practices like sports It will help you to engage with more people who speak the language you are learning If you're determined to perfect your French then start today not tomorrow      Conversational French Quick and Easy - Boxset - Books 1, 2, and 3 Yatir Nitzany, 2022-12-09 Have you always wanted to learn how to speak French but simply didn't have the time Well if so then look no further You can hold in your hands Conversational French Quick and Easy Books I II and III that is one of the most advanced and revolutionary methods boxset series that was ever designed for quickly becoming conversational in a language In creating this time saving program master linguist Yatir Nitzany spent years examining the twenty seven most common languages in the world and distilling from them the most common words that are most likely to be used in real conversations These words were chosen in such a way that they were structurally interrelated and when combined form sentences Through various other discoveries about how real conversations work discoveries that are detailed further in this book Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant now If you want to learn complicated grammar rules or to speak perfectly proper and precise French this book is not for you However if you need to actually hold a conversation while on a trip to a French speaking country to impress that certain someone or to be able to speak with your grandfather or grandmother as soon as possible then the Nitzany Method is what you have been looking for This method is

designed for fluency in a foreign language while communicating in the present tense Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away This is one of the several in a series of instructional language guides the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible No more depending on volumes of books of fundamental beginner intermediate and advanced levels all with hundreds of pages in order to learn a language With Conversational French Quick and Easy Series Books I II and III are all you will need Learn French today not tomorrow and get started now Basic Conversational French Andre Leveque,1962 Basic Conversational French Harris,1958 Basic Conversational French Julian Earle Harris,André Lévêque,1964 **Basic Conversational French** Julian Earle Harris,Andre Leveque,1978-01-01 A Conversational French Reader for Beginners Henry Bierman,Colman Dudley Frank,1915 *How to Learn French in Canada* Victor E Graham,1965-12-15 It is well known that even after several years exposure to high school French most English Canadians remain unable to speak the language It is equally well known that many French Canadians are bilingual One of the more obvious explanations for this relative deficiency on the part of the English Canadian is his lack of opportunities to use the French language in day to day situations and conversely the French Canadian's need to know the second language too often perhaps for economic reasons Professor Graham's book gives useful and practical suggestions on how to go about becoming fluent in French It offers not a course of instruction but a listing of practical ways of applying oneself to a study of the language There is specific up to date information and advice regarding services provided by the governments of Quebec and France courses offered in various Canadian communities clubs and societies correspondence courses universities and summer schools and language laboratories A feature which will be especially helpful for those in remote areas is the listing of publications books newspapers and periodicals music and songs records films and radio and television programmes which provide instruction in French The reader will quickly see that the available means are much more varied than he realizes and it is in providing this concise convenient enumeration of them that Professor Graham performs a great service Any adult who is reasonably proficient in French but wishes to improve will find this a practical and useful guide to ways of making a personal contribution to bilingualism in Canada This study has been prepared under the sponsorship of the Canadian Association for Adult Education **Basic Conversational French** André Lévêque,Constance K.
