Cliffs Of Dread:

The Cliffs of Dread Virginia Coffman, *The Dread's Face* Mariana Padilla,2025-06-12 *The Dread's Face* is a chilling and profoundly atmospheric anthology that plunges into the depths of human fear transforming abstract terror into a tangible haunting presence This collection of interconnected tales explores the insidious nature of dread the power of ancestral memory and the enduring courage required to confront the specters that lurk within and without The book introduces Elara a woman hardened by grief who finds herself a prisoner of *The Fear* a sentient entity that manifests as a shifting whispering dread This isn't a simple emotion but an active malevolent force that has stolen her family and twisted her nightmares into waking horrors feeding on her despair Her desperate quest leads her to a desolate isle aptly named *The Fear's End* the last scrap of land before an abyssal maw Here Elara learns the rhythm of her tormentor discovering that courage nurtured not by absence of fear but by a stubborn ember of hope is its ultimate weakness Her journey is a harrowing dance with despair as she navigates a landscape where shadows hold fragments of lost memories and silence is punctuated by the echoes of broken promises The tales interweave with the chilling narrative of Elias a man drawn to *Blackwood Manor* a place where architectural decay is merely a facade for a deeper more unsettling malady The manor defies physics its rooms shifting its very essence permeated by a pervasive silent dread Elias's investigation uncovers a hidden chamber and a tarnished silver locket revealing a vision of a weeping woman his own ancestor and the horrifying truth the house is not merely haunted but remembering *The Dread's Face* is the collective anguish of *Blackwood's* legacy a spectral burden inherited through generations This is a story of internal landscapes made terrifyingly real where the true monsters are often reflections of our deepest sorrows and inherited burdens It is a testament to the resilience of the human spirit a chilling reminder that the faces of dread are myriad but so too is the strength to confront them leaving readers to ponder the echoes of memory and the pervasive nature of fear long after the final page is turned *The shadow of the cliff* Catherine E. Mallandaine,1900

bookstore's promotional event becomes a hunt for a predator in this well-written fast-paced cozy mystery. Fresh Fiction Charli Rae Warren doesn't plan on striking it rich as the owner of an independent bookstore in Hazel Rock, Texas, especially one with a pink armadillo as its mascot. But when an ingenious advertising campaign puts her business on the map, it ropes in some deadly publicity. Charli can't believe writer Lucy Barton has agreed to promote her latest Midnight Poet Society novel at The Book Barn Princess or that there's only a week and a half to prepare for the signing. It's all because of The Book Seekers, a smartphone app created by her cousin Jamal exclusively for Charli's bookstore, which sends fans on a virtual scavenger hunt around town for a chance to meet the bestselling author. But as soon as it goes live, people turn up dead. Someone's using The Book Seekers to track victims and copycat the fictional Midnight Poet Society homicides, and horrified locals suspect Jamal could be the mastermind behind the crimes. While Charli readies the Barn for a stampede of new customers, it'll take true grit to shelve the culprit before her brainy cousin gets locked behind bars. Ms. Barton backs out of the visit, and she finds herself up a creek with a serial killer holding the paddle.
