Complete Guide To The Quiet Man:

The Complete Guide to the Quiet Man Des MacHale,2002-09-06 John Ford's Oscar winning film *The Quiet Man* 1952 based on the story by Maurice Walsh is one of the best loved and most popular of all time and currently also one of the best selling videos This new paperback edition of *The Complete Guide To The Quiet Man* is a celebration of every aspect of the film the background the stars the shooting the screenplay the influences and the many legends and stories that have grown up around it This book could just as easily have been called *Everything You Ever Wanted To Know About The Quiet Man* the shooting locations with dozens of detailed maps a very comprehensive cast and crew list hundreds of photographs taken by both amateurs and professionals an in depth analysis of every word of the dialogue video timings of all the scenes and above all the inside story and a thorough discussion of the whole *Quiet Man* phenomenon which have all led to one of the greatest cult movies of all time Book jacket *The Quiet Man* Luke Gibbons,2002 John Ford's *The Quiet Man* 1952 is the most popular cinematic representation of Ireland and one of Hollywood's classic romantic comedies For some viewers and critics the film is a powerful evocation of romantic Ireland and the search for home for others it is a showcase for the worst stereotypes of stage Irishry Much of Irish cinema since the development of an indigenous film industry in the 1980s has set its face firmly against these mythic images of Ireland but no film has yet attained the enduring appeal of *The Quiet Man* In this radical reappraisal of Ford's Oscar winning film Luke Gibbons traces its development from Maurice Walsh's original story 1933 and argues that its romantic excesses are a symptom of much darker undercurrents in the literary text and the displacement of trauma that often underlies nostalgia Moreover Gibbons ably demonstrates how the film rather than indulging in escapism actually questions its own romantic illusions and the dream of returning to an Irish paradise lost

Adaptation and the Cultural Imaginary Jan Cronin,2019-11-25 This book explores Making of sites as a genre of cultural artefact Moving beyond making of documentaries the book analyses novels drama film museum exhibitions and popular studies that re present the making of culturally loaded film adaptations It argues that the Making of genre operates on an adaptive spectrum orienting towards and enacting the adaptation of films and their making The book examines the behaviours that characterise Making of sites across visual media it explores the cultural work done by these sites why recognition of Making of sites as adaptations matters and why our conception of adaptation matters Part one focuses on the adaptive domain presented by the Making of John Ford s *The Quiet Man* Part two attends to Making of *Gone with the Wind* sites and concludes with Making of *The Lord of the Rings* texts as the acme of the cultural risks and investments charted in earlier chapters **A New Ireland in Brazil** ,2008 **Irelands of the Mind** Richard C.
