

The background of the cover is a photograph of a street at dusk or dawn. The street is lined with multi-story buildings, some with balconies. Warm, yellow streetlights illuminate the scene, creating a moody atmosphere. In the foreground, the back of a man's head and shoulders is visible. He is wearing a dark, wide-brimmed hat and a dark jacket. The overall color palette is dominated by the blues of the twilight sky and the oranges and yellows of the streetlights.

Clete Will:

Clete & Will William P. Bussey, 2004-05 The problem with memories is they never go away sooner or later you just have to come to grips with them and either go on and let them be just that or you began to relive them and get some enjoyment from them I have chosen the latter after years of thinking about all the things I had experienced in the Corps I decided to put them on paper however my real life was not exciting enough to write a book about so as any good Marine will do I adapted improvised and overcame The characters I have created in these books are real they have developed a face a personality of their own and although they are larger than life meaner than snakes they are Marines first and always and now walk with me as part of my daily life

Hazard Gardiner Harris, 2010-03-11 When a block of coal the size of a stove shoots out of the wall miner Amos Blevins barely has time to react before the entire area is flooded with water He frantically tries to rescue his crewmates but in an underground space that is pitch black and too cramped to even stand up he can barely crawl to safety himself Inspector Will Murphy is sent to investigate ordered by his superiors to clear things up quickly so the mine can reopen After all if the mine closes then miners lose their jobs and so do mine inspectors It seems to be a straight forward accident but Will senses something suspicious about this case or maybe he s just lashing out at his older brother who has usurped his place as heir to the largest mining company in Eastern Kentucky and owner of the flooded mine but Will has decided he won t let this one go whatever it might cost him Before he can get far Will s witnesses start turning up dead And Amos who refuses to follow his boss s orders to lie to Will about conditions in the mine finds the little he has threatened Together these two men will learn that in the mines life family money and power all come from one thing coal Drawing on his four years of reporting on the coal mines of Kentucky Harris has painted a vivid portrait of rural Appalachia beautifully capturing the place and culture of the mining community while weaving a complex and taut story of murder and corruption
