Said?** Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with  
regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the  
belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek  
the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected  
this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation  
bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All  
three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the  
secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and  
YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO  
exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their  
old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so

how does it affect our Eschatology today This book answers these hard questions *A Way in the Wilderness* Kelley Killian,2024-02-28 The Bible says that in later times believers hearts will grow cold and some will even fall away The storms the church will face in the coming days before Christ s return will be fierce In *A Way in the Wilderness* author Kelley Killian shares the warning signs of what believers should be aware of She brings her life changing experiences and perspective from being lost in a spiritual wilderness in this message of hope for fellow believers who may be struggling in their faith Based upon lessons she learned in her sojourn in the wilderness Killian also offers practical tips that can be incorporated into your everyday walk with God to keep you on course and out of the wilderness *A Way in the Wilderness* helps you dig deep and build a foundation that promotes a turning up of the heat of your heart for Christ It helps you prepare and be able to withstand the storms that could cause you to stumble or lose your way
