next step is a successful career at DuPont and the birth of twins Public speaking haunts him through most of his life but he finally conquers it to become an accomplished speaker He is promoted twice finally to Senior Supervisor in research at DuPont Just when his career seems to be blossoming a triple tragedy strikes Among them is the onset of multiple sclerosis which causes retirement when he is only forty eight years old There is a long period of trying to adjust to the disability He was now faced with the inactivity created by the early retirement But more importantly his hard earned career was now destroyed Then two more tragedies strike First he contracts colon cancer but is apparently cured by an operation But the final blow is unbearable to him It is the death off his life long love his wife Interwoven in the story is the devotion and love between him and his wife

Nero in the Land of Nut John Vlachos,2023-06-23 Writing is the most unusual way to create I have always been used to painting where materials such as brushes canvas and colors are at hand Everything has a tactile quality about it but writing is the opposite It is more cerebral You are dealing with words colliding with each other in your mind trying to make sense of them But this can be more liberating especially in a children s book where anything goes Nero in the Land of Nut is a play on words so convoluted and over lapping it becomes infectious and incorrigible At some point the reader laughs hilariously in his her attempts to make sense of it all It reminds us of life itself and how serious we take things when all the while life just wants to laugh
