Barcelona Architecture Guide, 1929-2002 Antoni González, Raquel Lacuesta, 2002 1929 and 1992 were two highly significant moments in the urban evolution of Barcelona With a total of 162 entries each comprising an explanatory text one or two photographs and in many cases a plan this guide offers an introduction to the best architecture constructed in Barcelona during the period 1929-2002

Barcelona Architecture Guide, 1929-2000 Antoni González, Raquel Lacuesta, 1999

Barcelona Suzanne Strum, 2001 With regional autonomy granted in 1980 Catalan culture was revitalised after years of repression For the first time Catalan design became a presence on the international scene while architects concentrated on the enrichment of the public sector It is this focus on public space that has been the unifying factor in the recent architecture of Barcelona Hosting the 1992 Olympics jump started large scale transformation Twelve new centres were interconnected and the waterfront was transformed into a 4 kilometre promenade new cultural institutions were created Post Olympics mega scale developments are set against huge housing

developments high rises shopping centres multi use containers theme parks and exurban commercial zones driven by private investment This new guide provides an in depth account of Barcelona s architectural renaissance sets out the background to the city s development and covers all the significant recent developments in and around the city *Barcelona Architecture Guide, 1929-1994* Antoni González,Raquel Lacuesta,1995 This series was the winner of the American Institute of Architects prestigious Award for Excellence in International Book Publishing Each volume in this series is introduced with an essay on the architect and a chronological or stylistic presentation of their most outstanding buildings and projects No other series provides such a complete and concise summary of the world s leading architects works The volumes are fully illustrated in black and white with photos and project renderings **Barcelona** Antoni Gonzáles,1999 **Encyclopedia of Twentieth Century Architecture** R. Stephen Sennott,2004 A balance of sophistication and clarity in the writing authoritative entries and strong cross referencing that links architects and structures to entries on the history and theory of the profession make this an especially useful source on a century of the world s most notable architecture The contents feature major architects firms and professional issues buildings styles and sites the architecture of cities and countries critics and historians construction materials and planning topics schools movements and stylistic and theoretical terms Entries include well selected bibliographies and illustrations Reference that rocks American Libraries May 2005 **Barcelona, Architecture Guide** Antoni González,Raquel Lacuesta,1997 [Bibliographic Guide to Art and Architecture](#) New York Public Library. Art and Architecture Division,1982 **Cities and Cultures** Malcolm Miles,2007-04-26 *Cities and Cultures* is a critical account of the relations between contemporary cities and the cultures they produce and which in turn shape them The book questions received ideas of what constitutes a city s culture through case studies in which different kinds of culture the arts cultural institutions and heritage distinctive ways of life are seen to be differently used in or affected by the development of particular cities The book does not mask the complexity of this but explains it in ways accessible for undergraduates The book begins with introductory chapters on the concepts of a city and a culture the latter in the anthropological sense as well as denoting the arts citing cases from modern literature The book then moves from a critical account of cultural production in a metropolitan setting to the idea that a city too is produced through the characteristic ways of life of its inhabitants The cultural industries are scrutinised for their relation to such cultures as well as to city marketing and attention is given to the European Cities of Culture initiative and to the hybridity of contemporary urban cultures in a period of globalisation and migration In its penultimate chapter the book looks at incidental cultural forms and cultural means to identify formation and in its final chapter examines the permeability of urban cultures and cultural forms Sources are introduced positions clarified and contrasted and notes given for selective further reading Playing on the two meanings of culture Miles takes an unique approach by relating arguments around these meanings to specific cases of urban development today The book includes both critical comment on a range of literatures being a truly inter disciplinary study and the outcome of the author s field research

into urban cultures *Multimodality, Meaning, and Institutions* Markus A. Höllerer, Thibault Daudigeos, Dennis Jancsary, 2017-12-06 This volume focuses on the relationship between different modes in the emergence diffusion maintenance and or challenge of social meanings and institutions The contributions demonstrate the potential of multimodal approaches to advance the design of rigorous methods of analysis for the study of multimodal communicative practices
