Battle We Fight:

The Battle Worth Fighting Julie Ann Allen, 2018-10-30 When we first become parents we don't imagine ever being single parents. Regardless, this is where we are. Instead of evaluating God's love based on your circumstances, evaluate your circumstances through the lens of God's love. This is what it is to co-parent your children with God. *The Battle Worth Fighting* is both a practical guide to approach the challenges of raising children in this current culture with the social influences they face, as well as a guide to spiritual development and growth for your children and you. Let God be the authoritative parent for your children. Establish the boundaries you know God is leading you to establish. Place your priorities where God is showing you to place them. Your prayer request is to hear his call and move in the direction he leads. This is a game changer. Instead of seeking the path to acclaim and earthly accomplishments, we seek what God values and wants for us and for our children. This is what provides the foundation for how you parent your children and who you teach them to turn to as the authority in their lives. God is calling us to invest in our children so they can become who God had in mind when he created them. *Fighting Your Battles* Jonathan Evans, 2022-09-06 Today's struggles build tomorrow's strength. In life's difficult moments, we find refuge when we remember that the God we serve fights our battles alongside us. Though we face moments when we feel we can't carry on, we take heart knowing that in times of turmoil, God equips us to grow in our faith and draw closer to Him. In *Fighting Your Battles*, author, speaker, and former NFL chaplain Jonathan Evans shows how you can face every hardship with strength and hope, confident that God will always use your trials for His glory. You'll understand what it means to evaluate the giants in your life from God's point of view, relinquish self-reliance, and depend completely on the Lord. Progress toward the purpose you were created to fulfill. God has new ground for you to gain, and often the land promises and experiences He wants for you are discovered as you endure life's struggles. *Fighting Your Battles* will give you biblical encouragement, support, and perspective, empowering you to follow God into victory. [Upward Momentum](#) Francis Herras, 2018-10-25 Being humble is the way of the winning attitude in life. Successful people have a greater tendency to brag about their finances, wealth, riches, and possessions. As a result, they have a greater tendency to develop a worldview that is framed according to stuff, things, success, and accomplishments. This book will equip readers about the attitudes of humility, the secret ingredients towards success in life, show them the view from the top that guarantees a better way of life, and offer them an upward momentum to carry out their God-given purpose in life. Humility is the way of the winning attitude in life. Readers will discover the sure way to guarantee promotion, discover the secret ingredient to succeed in Christian life, develop a belief system that honors God, carry out their God-given purpose in life, captures the view from the top, learn that their vision is their destination, balance the dilemma between making a living versus making a lifestyle, and understand what work is, what the real purpose of work is, and why we work. The book will help readers understand that humility cures pride and attracts success, clarify the difference between responsibility and deserving, educate readers about inner change to create outer
