Life in Christ William Robert West,2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it *Orthodoxy* James Freeman Clarke,1880

The Gospel magazine, and theological review. Ser. 5. Vol. 3, no. 1-July 1874 ,1852 *Finding Freedom in Jesus* JP Foster,Matt Williams,2025-11-04 Finding Freedom in Jesus explores 21 biblical terms that reveal our identity as believers in Christ empowering us to grow and be transformed by the truth These terms serve as guiding principles helping us overcome past hurts habits and negative self perceptions so we can fully embrace our true identity in Christ We all carry wounds from the words and actions of others but it s crucial to remember how our Creator sees us Instead of dwelling on distorted images of pain we need to look into a God centered mirror that reflects His viewpoint Our identity is not defined by others opinions rather when we see ourselves through our Heavenly Father s eyes everything changes As we learn and reflect on these transformative terms our understanding of who we are in Christ deepens This experiential knowledge leads to a vibrant spiritual life a stronger reliance on the Lord and a greater confidence in serving others Let s embark on this journey of self discovery and embrace the abundant life God has for us *Manford's Magazine* ,1890 *Saved, Discipled,*

Apostled Faron Golden,2025-01-14 You ve likely come across countless people who identify as Christian but never seem to truly understand Jesus Christ to be the only begotten Son of God the one who took away the sins of the world and who will one day return to rule and reign for all eternity They may be following Jesus in the sense of attending meetings writing songs teaching lessons even preaching from a pulpit Still they may remain in a state of not having a new birth Faron Golden a church planter and pastor with years of experience in ministry seeks to explain how such a state of affairs can exist in this book He answers questions such as What are the penalties of living for self rather than living for the one who died for all so those who live might live for Him Does life happen merely by chance or is there a grand design or plan How can we strengthen our faith through reading and reflecting on God s Word The author also examines the ample evidence in the Bible that tells us we can be sure we have eternal life in Christ as well as how to ensure we are among the saved when Jesus returns In Christ Adoniram Judson Gordon,1872 **God in Christ** Charles Gore,1922 *The Presbyterian* ,1901
