Beach Time:

Beach Time Charles Mitchell, 2005-02 *Beach Time* is a powerful collection of stories weaving a tapestry of the shore as a place of reflection a sanctuary for addressing life's challenges and opportunities and as a point of departure for life's many journeys Whether finding romance among the canals and lanes of magical Venice facing life death and ghosts along the Carolina coasts honeymooning in the south of Portugal or solving mysteries in the Greek isles the stories will hold your interest across the miles and years Additional tales speak to youth's desire to find direction in life whether in the beach towns of Florida at a Buddhist shrine on Cheju Island Korea or along the North Shore of Oahu Darker tales reveal how outcasts prey upon the young or confused in the chaos of the beach *Beach Time* by the author of *Hues of Tokyo* can be read straight through engaging the themes linking the stories or each story can be cherished individually as you travel to multiple shores in the US Asia and Europe to be entertained by whimsical tales that both amuse and provoke deep thought about life's relationship with that in between space where the land meets the sea and the sky *It's Been On My Mind* Carolyn Schwartz, 2011-09-28 [Oceans of Wisdom](#) Linda J T, 2013-04-29 *Oceans of Wisdom* is a collection of stories about wisdom the oceans wisdom pleasures of the ocean life at the beach ocean facts and creatures and some of my personal stories about life Most chapters open with a quote filled with ideas I have set up this book in small chapters as thoughts to take with you to the beach or to keep on your bedside table to think about throughout your life I share the stories so you can be inspired and also to strengthen you wherever you may be on your journey through out your life Maybe this book will nudge you in the direction of something new or just help you to make some sense of the journey you are about to take I believe that the time you spend whether reading or being in nature at the beach getting a massage or meditating is the time for your soul I hope when you read this book that it speaks to you in a special way the way the ocean has in my life I seek to capture the essence of the mind and to share the oceans of wisdom with you **Wastewater Management Program, Jamaica Bay, New York** Donald L.
