*Trickster* Matt Dembicki, 2016-07-06 2010 Maverick Award winner 2011 Aesop Prize Winner Children s folklore section and a 2011 Eisner Award Nominee All cultures have tales of the trickster a crafty creature or being who uses cunning to get food steal precious possessions or simply cause mischief He disrupts the order of things often humiliating others and sometimes himself In Native American traditions the trickster takes many forms from coyote or rabbit to raccoon or raven The first graphic anthology of Native American trickster tales Trickster brings together Native American folklore and the world of comics In Trickster 24 Native storytellers were paired with 24 comic artists telling cultural tales from across America Ranging from serious and dramatic to funny and sometimes downright fiendish these tales bring tricksters back into popular culture **Multicultural Picturebooks** Sylvia S. Marantz, Kenneth A. Marantz, 2005 Picturebook spelled as a single word to identify its unique qualities and to differentiate the genre from other books with illustrations is one that tells a story either in pictures alone or in almost equal partnership with text The picturebook has great potential for bridging the differences among us the concept of a story is one common to all a shared experience that sets the stage for communication And the goal of multiculturalism is to emphasize the positive attributes of human society the outstanding rather than the stereotype Because children born today will interact with people from different cultures much more than previous generations it is important that they are taught about other cultures starting at a young age Multicultural picturebooks are

therefore an excellent teaching tool for meeting this educational challenge The picturebooks profiled are appropriate for children in grades K 4 but can be used with older children depending on the curriculum and the students comprehension level Books covering Asia and the Pacific The Middle East Africa South America North America Native Americas Inuit etc and books specific to the immigrant experience are profiled Each book is described in one paragraph that includes an engaging review of the story line special features of the content the look and style of the artwork interior design and layout of the book The authors emphasize that the visual qualities of picturebooks affect their ability to tell stories about people whose values and behaviors are different from those of the reader The analyses therefore used in selecting the books include not only the informational content but also the emotional content the feelings generated by the text and art In choosing books for this volume the authors have used the following criteria Does the book tell an engaging story Do the illustrations convincingly portray and represent humans animals and objects Is the use of the media consistent Do the text and the pi
