Art Of Reading Scripture:

The Art of Reading Scripture Ellen F. Davis, 2003-10-02 The difficulty of interpreting the Bible is felt all over today Is the Bible still authoritative for the faith and practice of the church If so in what way What practices of reading offer the most appropriate approach to understanding Scripture The church's lack of clarity about these issues has hindered its witness and mission causing it to speak with an uncertain voice to the challenges of our time This important book is for a twenty first century church that seems to have lost the art of reading the Bible attentively and imaginatively The Art of Reading Scripture is written by a group of eminent scholars and teachers seeking to recover the church's rich heritage of biblical interpretation in a dramatically changed cultural environment Asking how best to read the Bible in a postmodern context the contributors together affirm up front Nine Theses that provide substantial guidance for the church The essays and sermons that follow both amplify and model the approach to Scripture outlined in the Nine Theses Lucidly conceived carefully written and shimmering with fresh insights The Art of Reading Scripture proposes a far reaching revolution in how the Bible is taught in theological seminaries and calls pastors and teachers in the church to rethink their practices of using the Bible Contributors Gary A Anderson Richard Bauckham Brian E Daley Ellen F Davis Richard B Hays James C Howell Robert W Jenson William Stacy Johnson L Gregory Jones Christine McSpadden R W L Moberly David C Steinmetz Marianne Meyers Thompson

Christian Wisdom David F. Ford, 2007-06-07 What is Christian wisdom for living in the twenty first century Where is it to be found How can it be learnt In the midst of diverse religions and worldviews and the demands and complexities of our world David Ford explores a Christian way of uniting love of wisdom with wisdom in love Core elements are the discernment of cries the love of God for God's sake interpretation of scripture and the shaping of desire in faith Case studies deal with inter faith wisdom among Jews Christians and Muslims universities as centres of wisdom as well as knowledge and know how and the challenge of learning disabilities Throughout there is an attempt to do justice to the premodern modern and postmodern while grappling with scripture tradition and the cries of the world today Ford opens up the rich resources of Christianity in engaging with the issues and urgencies of contemporary life
