Bataan Diary:

Bataan Diary Chris Schaefer,2004 Follow the men who fought America s first battle in World War II their will their resolve the odds against them their surrender the Death March their imprisonment and the few who escaped to continue the fight After the destruction of Pearl Harbor on December 7 1941 the U S Army on Bataan was forced to surrender to the Japanese and 70 000 American and Filipino soldiers became Prisoners of War Over the next three years almost two thirds of them would die in Japanese custody However a few hundred Americans refused to surrender evaded the Japanese Army and slipped into the jungle to hide and await the return of General MacArthur Some joined Filipino guerrilla bands hoping to help the war effort during the months they would wait But months turned into years and there was no sign of General MacArthur or his army At home in the United States their families waited for them not knowing if their men were dead or alive Bataan Diary is the remarkable true chronicle of the American prisoners evaders and guerrillas trapped in the Philippines during the Japanese occupation

Bataan Diary Paul Ashton (Captain.),1984 Author was an army surgeon captured on Bataan who endured the death march and three years as a POW

Bataan Diary Chris Schaefer,2004-08-15 In December 1941 immediately after bombing Pearl Harbor the Japanese attacked General Douglas MacArthur s United States Army Forces in the Far East This is the story of the first battle fought in that war the Battle of Bataan and of the American soldiers left behind when the U S Army commander ultimately surrendered to the Japanese The fall of Bataan and subsequent events in the Japanese occupied Philippine Islands are told through the eyes of an American soldier Frank Loyd who escaped the Bataan Death March and survived in the jungles for three and a half years in spite of a Japanese man hunt to capture or kill him When General MacArthur s forces returned to the Philippines near the end of the war he rejoined the American forces and ultimately returned to his family in the States alive

Bataan Diary, 1940-1945 James Rand,Willard Rand,Paul Rand,2000

Deadline- Captain Charlie's Bataan Diary Charles Underwood (Jr.),2013-11 News reporter to commander Bataan the Death March three POW camps the war story of Captain Charles Underwood A Story untold for more than sixty years There are thousands of U S soldiers who have never been properly recognized for their actions during the Second World War This is the story of one of them Charles Underwood was a young reporter when he was called up to active service in the Philippines He survived the infamous Death March and spent over three years as a prisoner of war in Japan at the end of which time he boldly commandeered a train and traveled through hostile territory to reach the U S lines He is credited with helping to liberate more than seven hundred starving POWs Using his father s long forgotten journal as a starting point Charles Underwood Jr has done extensive research to bring to life the important part of American military history

[Angels of the Underground](#) Theresa Kaminski,2016 Angels of the Underground makes a significant contribution to the work on women s wartime experiences Through the lens of Utinsky and Phillips who never wavered in their belief that it was their duty as patriotic American women to aid the Allied cause Kaminski highlights how women have always been active

participants in war whether or not they wear a military uniform An impressive work of scholarship grounded in archival research and personal interviews this is also a stunning story of courage and heroism in wartime Bataan Diary Ashton,1984-06-01 The fortieth anniversary of V J Day has come gone with all its reminders of the Pacific War the news media s emphasis on the bomb that abruptly ended it freed thousands of prisoners who survived the appalling Japanese atrocities Captain Ashton s massive work is a truly remarkable book that covers in great detail the events that preceded the Japanese invasion of the Philippines reports comprehensively the details of the battles that ensued until the islands were surrendered six months later four months longer than the Japanese expected Author Ashton calls his book a diary In fact it is partially based on a series of letters to his wife Yvonne in which he gave nearly daily accounts of his experiences observations until the Japanese attack the China Clipper ceased its weekly flights She saved these letters as intended they form the basis for the book His motivation to undertake such an extensive work came from his realization that he was an exceptional observer He had unusual freedom of movement as an adjutant of a medical battalion associated with a wide range of people from generals to privates surgeons to litter bearers Later he was a trouble shooter to facilitate evacuation of wounded from distant infantry companies plus other duties that put him close to the fighting He was forced into combat himself His description of the surrender of Bataan is superb He missed the Death March but his description of it is unsurpassed All this interesting reading is encased in a large 8x10 soft back with 340 pages of double columns equaling 1 000 standard pages There are numerous photographs maps To this are added documents letters writings of POW comrades Father Found Duane Heisinger,2003 **Conduct Under Fire** John A. Glusman,2006-04-25 The fierce bloody battles of Bataan and Corregidor in the Philippines are legendary in the annals of World War II Those who survived faced the horrors of life as prisoners of the Japanese In **Conduct Under Fire** John A Glusman chronicles these events through the eyes of his father Murray and three fellow navy doctors captured on Corregidor in May 1942 Here are the dramatic stories of the fall of Bataan the siege of the Rock and the daily struggles to tend the sick wounded and dying during some of the heaviest bombardments of World War II Here also is the desperate war doctors and corpsmen waged against disease and starvation amid an enemy that viewed surrender as a disgrace To survive the POWs functioned as a family But the ties that bind couldn t protect them from a ruthless counteroffensive waged by American submarines or from the B 29 raids that burned Japan s major cities to the ground Based on extensive interviews with American British Australian and Japanese veterans as well as diaries letters and war crimes testimony this is a harrowing account of a brutal clash of cultures of a race war that escalated into total war Like *Flags of Our Fathers* and *Ghost Soldiers* **Conduct Under Fire** is a story of bravery on the battlefield and ingenuity behind barbed wire one that reveals the long shadow the war cast on the lives of those who fought it **To Bataan and Back** Jerry C. Cooper,John A. Adams (Jr.),Henry C. Dethloff,2016 Soon after the Japanese attacks on Pearl Harbor and the Philippines Maj Thomas Dooley began the first of six handwritten journals more than 500 written pages that he continued to update

throughout the war As aide de camp to Gen Jonathan M Wainwright commander of the Allied forces after Gen Douglas MacArthur was ordered to Australia Dooley had regular contact with commanders and headquarters throughout the Philippines His journals reveal a very personal story of the battles of Bataan and Corregidor and the capture imprisonment and struggle for survival of tens of thousands of American prisoners of war Dooley s journals dutifully maintained even while he was a prisoner are at once witty articulate stark and often reflective To Bataan and Back adds a new voice to the chorus of World War II history Dooley was a 1935 graduate of the Agricultural Mechanical College of Texas now Texas A M University an institution that prepared many of its graduates for service in the Philippines and elsewhere Texas Aggies celebrate a Muster tradition a sacred pause to remember and honor who have died that stretches back to the earliest days of the college But an extraordinary Muster was observed during World War II that would deepen its meaning and further hallow the ceremonies thereafter In April of 1942 with Japanese forces poised to overrun the Allies on the Philippine island of Corregidor Maj Thomas Dooley compiled a roll call list of twenty six Aggies on The Rock during an almost constant bombardment Dooley told a journalist about the list and the resulting article spread rapidly throughout the United States forever connecting Dooley to this enduring Aggie tradition Dooley died in 2006 and his journals now reside in the Texas A M University archives In To Bataan and Back Jerry C Cooper has painstakingly transcribed edited and annotated these remarkable documents shedding new light on daily life in the storied history of the war in the Pacific Inside jacket flaps

Bataan ,1954 **Military Affairs** ,1951 **Bataan, Our Last Ditch** John W. Whitman,1990 The Past is what we make it Today there seem to have been only a few memorable moments in the Philippines during World War II There was MacArthur leaving on a PT boat there was the Death March there was Corregidor But before Corregidor there was Bataan

The Years of MacArthur D. Clayton James,Dorris Clayton James,1970 A detailed biography of General of the army Douglas MacArthur chronicles his controversial military administrative and political career and examines his complex contradictory personality and character *Memoirs and Diaries of Felipe Buencamino III, 1941-1944* Felipe Buencamino,Victor Buencamino,2003 *The Journal of Military History* ,1937 Includes scholarly articles and book reviews on topics in military history **Doomed at the Start** William H. Bartsch,1992 During the first three days of the Japanese assault on American Pacific bases in December of 1941 the 24th Pursuit Group the only unit of interceptor aircraft in the Philippine Islands was almost destroyed as an effective force Yet the group s pilot doomed from the start by their limited training an inadequate air warning system and lack of familiarity with the few flyable pursuit aircraft they had left fought on against immensely superior numbers of Japanese army and navy fighters Honorable Warrior Lewis Sorley,1998 A man of extraordinary inner strength and patriotic devotion General Harold K Johnson was a soldier s officer loved by his men and admired by his peers for his leadership courage and moral convictions Lewis Sorley s biography provides a fitting testament to this remarkable man and his dramatic rise from obscurity to become LBJ s Army Chief of Staff during the Vietnam War A

native of North Dakota Johnson survived more than three grueling years as a POW under the Japanese during World War II before serving brilliantly as a field commander in the Korean War for which he was awarded the Distinguished Service Cross for extraordinary heroism The latter experiences led to a series of high level positions that culminated in his appointment as Army chief in 1964 and a cover story in Time magazine What followed should have been the most rewarding period of Johnson s military career Instead it proved to be a nightmare as he quickly became mired in the politics and ordeal of a very misguided war Johnson fundamentally disagreed with the three men LBJ Secretary of Defense Robert McNamara and General William Westmoreland running our war in Vietnam He was sharply critical of LBJ s piecemeal policy of gradual escalation and his failure to mobilize the national will or call up the reserves He was equally despondent over Westmoreland s now infamous search and destroy tactics and reliance on body counts to measure success in Vietnam By contrast he advocated greater emphasis on cutting the North s supply lines helping the South Vietnamese provide for their own internal defenses and sustaining a truly legitimate government in the South Unheeded he nevertheless continued to work behind the scenes to correct the nation s flawed approach to the war Sorley s study adds immeasurably to our understanding of the Vietnam War It also provides an inspiring account of principled leadership at a time when the American military is seeking to recover the very kinds of moral values exemplified by Harold K Johnson As such it presents a profound morality tale for our own era
