Brendan Behan's New York Brendan Behan,1970 *Brendan Behan's New York ... With Drawings by Paul Hogarth*
Brendan Behan,Paul HOGARTH,1964 **Brendan Behan's New York, Etc** Brendan Behan,1964 **The Letters of
Brendan Behan** Brendan Behan,1992 Annotation A thoroughly annotated collection of those letters by controversial Irish
playwright Behan 1923 64 that have come to light so far Also includes some unpublished poems and early writings and
letters to the editor that were rejected Acidic paper Annotation c by Book News Inc Portland Or **The Comic Irishman**
Maureen Waters,1984-01-01 The Comic Irishman makes heretofore unacknowledged distinctions among different types of
comic Irishmen and convincingly casts away the stereotyped version of the stage Irishman It shows how the Irish comic
character whether a blundering fool or a lazy fun loving fellow evolved into a glib and witty rogue The book is a critical study
of modern Irish fiction and drama The first part provides an analysis of the various Irish comic figures which were popular in
the nineteenth century These are discussed within a social and historic framework because they were to a large extent
shaped by the erosion of Gaelic culture under the impact of English government In the process of shifting from one cultural
nexus to another the Irishman came to be regarded as highly inferior to his English counterpart yet amusing because of his
difficulty with the English language and his rebellious unpredictable behavior The second part of the book discusses the
writings of such twentieth century authors as James Joyce Samuel Beckett Sean O Casey and Flann O Brien who
concentrated on the analysis of the stage Irishman Some brilliantly exploited the comic tradition while other used satire to
explode what they perceived as a debasing myth **"Something Dreadful and Grand"** Stephen Watt,2015 This book
traces the often uncanny relationships between Irish and Jewish America arguing for the centrality of these two diasporic
groups to the development of American popular music fiction and especially drama *The Wit of Brendan Behan* Brendan
Behan,1968 *Modern Irish Writers* Alexander G. Gonzalez,1997-08-26 While the Irish Literary Revival began around 1885
and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of
abating The period has produced some of the most important and influential figures in Irish literature some of whom are
counted among the world s greatest authors The Revival saw a reestablishment of Ireland s literary connections with its
Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past
James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be
leading figures and include such authors as Brian Frigl Seamus Heaney and Eavan Boland Included in this reference book
are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick
Kavanagh Medbh McGuckian Sean O Casey J M Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors
and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author s career a
discussion of major works and themes an overview of the author s critical reception and a bibliography of primary and

secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume **Joycean Legacies** Martha C. Carpentier, 2015-04-28 These twelve essays analyze the complex pleasures and problems of engaging with James Joyce for subsequent writers discussing Joyce's textual stylistic formal generic and biographical influence on an intriguing selection of Irish British American and postcolonial writers from the 1940s to the twenty first century *Encyclopedia of Life Writing* Margaretta Jolly, 2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company *The Complete Plays* Brendan Behan, 1978 This work includes Behan's complete dramatic works in English three full length plays and three one act plays with biographical details on Behan and the Irish Republican Movement **The Publishers Weekly**, 1972 **McGraw-Hill Encyclopedia of World Drama** Bernard Dukore, David Eggenberger, 1972 **Time** Briton Hadden, Henry Robinson Luce, 1960 *General Catalogue of Printed Books* British Museum.
