Bridging The Class Divide And Other Lessons For Grassroots Organizing:

Bridging the Class Divide Linda Stout, 1997-02-28 Again and again social change movements on matters from the environment to women's rights have been run by middle class leaders But in order to make real progress toward economic and social change poor people those most affected by social problems must be the ones to speak up and lead It can be done Linda Stout herself grew up in poverty in rural North Carolina and went on to found one of this country's most successful and innovative grassroots organizations the Piedmont Peace Project Working for peace jobs health care and basic social services in North Carolina's conservative Piedmont region the project has attracted national attention for its success in drawing leadership from within a working class community actively encouraging diversity and empowering people who have never had a voice in policy decisions to speak up for their own interests The Piedmont Peace Project demonstrates that new ways of organizing can really work Bridging the Class Divide tells the inspiring story of Linda Stout's life as the daughter of a tenant farmer as a self taught activist and as a leader in the progressive movement It also gives practical lessons on how to build real working relationships between people of different income levels races and genders This book will inspire and enrich anyone who works for change in our society

great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake. It is a major contribution to a more coherent understanding of this fundamental idea. Robert Bellah, Professor of Sociology Emeritus, University of California Berkeley, and co-author of *Habits of the Heart* (SAGE Publications) is proud to announce the *Encyclopedia of Community*, a major reference work that summarizes the many fascinating and important concepts of a global topic. Community itself is a concept, an experience, and a central part of being human. Whether the reader is a student, researcher, or professional in the field of psychology, sociology, or even economics, this three-volume work will provide the necessary definitions of community beyond traditional views. Arranged in an A to Z fashion, the Encyclopedia can also be viewed topically via a Reader's Guide. This allows for interdisciplinary compare and contrast among topics such as types of communities, social capital, technology, urban life, politics, and law, community design, and global studies. Edited by the award-winning team at Berkshire Reference and assisted by an editorial board of world-renowned scholars, the *Encyclopedia of Community* will prove to be one of the most widely used reference works in your collection.

The Evolution of American Women's Studies A. Ginsberg, 2008-11-10. This book is comprised of reflections by diverse women's studies scholars focusing on the many ways in which the field has evolved from its first introduction in the University setting to the present day.

Bridging the Racial Divide Paul Martin Du Bois, Jonathan J. Hutson, 1997. **The World**, 1997. **Mother Jones Magazine**, 1997-03. Mother Jones is an award-winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues.

Leaves of Grassroots Politics Scott Henkel, 2007. **Inciting Democracy** Randy Schutt, 2001-09-10. *Inciting Democracy* offers a vision of what a good society might look like and explores how we can overcome five key obstacles to creating such a society. It offers a practical way to develop a large decentralized education and support program that can increase the skills, knowledge, and strength of hundreds of thousands of goodhearted people so they can democratically and nonviolently transform society through grassroots change movements. It also provides a realistic long-term vision of success, a vision that can encourage and inspire people working for positive change, thus making success more likely.

Community Organizing and Development Herbert J. Rubin, Irene Rubin, 2008. This revised edition of a well-known and widely used text in community organizing and development fully examines the broad and changing political and social settings that influence actions while portraying the infrastructure of social change, the knowledge, personnel, and organizations that enable such work to be successfully accomplished. The text brings together the practicalities of organizing and development, fund-raising, working out, news releases, running an organization, orchestrating political actions, academic knowledge, and explains why various approaches work as well as the values and ideologies that guide what is to be done. It provides the foundations of organizing and development work and then describes how activists, through following either a

social confrontation model or an economic and social production approach can respond to economic and social problems

Bridges ,1997 **Activism and Social Change** Eric Shragge,2003 This book connects the personal and the political to produce a sophisticated understanding of the potential of as well as barriers to local activism and community organizing Robert Fisher University of Connecticut *Calling All Radicals* Gabriel Thompson,2007-09-28 American democracy is seemingly in retreat Voting rates are at an all time low citizens are disillusioned and inequality continues to soar But there is also a belief that change is possible *Calling All Radicals* argues that we can reclaim our democracy in the old fashioned way through grassroots organizing Gabriel Thompson draws upon his own experience of working within local communities to demonstrate its immediate impact Some examples When a brother and sister were being evicted from their home of 73 years the community responded by staging a protest in front of the landlord s home gaining media attention and forcing the owner to allow them to stay With children in Central Brooklyn suffering from lead poisoning Thompson designed a campaign that trained inner city high school students to test neighborhood homes and found that 1 in 3 were dangerous forcing NYC officials to act by pushing through citywide legislation that held landlords responsible for implementing more proactive steps to fix hazards *Calling All Radicals* argues that everyone is capable of community organizing It explains the key tactics of organizing leadership development conducting research and working effectively with the media The Battle in Seattle Janet Thomas,2000 November 30 1999 is seen as a day of infamy the day the World Trade Organization was battled head on in Seattle Media coverage with its images of gas masks tear gas victims bullying cops rampaging hoodlums and ruffled WTO dignitaries presented a riveting picture of violence in the streets But there was another battle of far greater consequence People from around the world converged that day to show solidarity for working people and to voice their concerns about child labor the environment and global economic justice **Promoting Well-Being** Isaac Prilleltensky,Ora Prilleltensky,2006-10-13 Links psychological wellness with organizational and community health and provides insight into how these domains interact **Democracy and the Claims of Nature** Bob Pepperman Taylor,Ben A. Minter,2002-04-16 In *Democracy and the Claims of Nature* the leading thinkers in the fields of environmental political and social theory come together to discuss the tensions and sympathies of democratic ideals and environmental values The prominent contributors reflect upon where we stand in our understanding of the relationship between democracy and the claims of nature *Democracy and the Claims of Nature* bridges the gap between the often competing ideals of the two fields leading to a greater understanding of each for the other **Forthcoming Books** Rose Arny,1996-10 **Feminist Periodicals** ,1998
