the fire ants were turned back Ralph was still held in disdain however The leader of the fire ants General G was not the type of bug that would give up easily He also vowed to get even with Ralph the Drone and made a pact with the evil Ann Mantis to capture Ralph She was more than pleased to help General G because of her long standing hate of Ralph When Ralph is captured by the fire ants it appears the peaceful community of Boosand its incompetent leader the Monarch will at last fall prey to the fire ants
