Block,2013-09-09 To many readers the book of Ezekiel is a hopeless riddle However if we take the time to study it we will discover that despite the strangeness of the man and his utterances this is the most clearly organized of the major prophetic books If we persist we will also discover that from a rhetorical perspective this priestly prophet knew his audience he recognized in Judah s rebellion against YHWH the underlying cause of the divine fury that resulted in the exile of his people and the fall of Jerusalem to the Babylonians in 586 BCE But he also recognized that YHWH s judgment could not be the last word Because his covenant was eternal and irrevocable he looked forward to a day of spiritual renewal and national restoration This is the second of two volumes of Block s essays on the book of Ezekiel The essays in this volume explore the theme of Kingship in Ezekiel both his assessment of Judah s historical kings and his hope for a restored Davidic King Prince and the mysterious visions concerning Gog s attack on restored Israel Ezek 38 39 and concerning the new temple 40 48
