Brendans Leather:

Brendan's Leather Book Brendan Smith, 1972 *The Brendan Voyage* Tim Severin, Timothy Severin, 2005 In an extraordinary attempt to recreate St Brendan's journey to America Tim Severin and his crew embarked on an epic voyage across the vast North Atlantic Brilliantly written this is their story **Grail Knights of North America** Michael Anderson Bradley, 1998 A decade ago Michael Bradley published the Canadian bestseller *Holy Grail Across the Atlantic* Hounslow Press 1988 presenting the astounding evidence that a European settlement in Canada had been established in Nova Scotia ninety four years before Columbus and ninety nine years before John Cabot Incredibly mediaeval documents and maps showed that this settlement had been founded by refugee Knights Templar from Scotland knights who had been created for the sole purpose of guarding the Holy Grail Bradley presented evidence that these Grail believing religious refugees and their knightly protectors had been instrumental in discovering settling and influencing the development of New France and later the fledgling American Republic The book was automatically ridiculed by conventional North American historians while at the same time serving as the model for European works e.g. *The Sword and the Grail* by Britain's Andrew Sinclair Michael Bradley's investigation stimulated some serious professional and academic researchers to join his quest to find further evidence of the Knights Templar in Canada and the United States Now in 1998 comes the publication of the long awaited sequel to *Holy Grail Across the Atlantic* *Grail Knights of North America* Realizing from mediaeval documents that the initial Nova Scotia refuge of AD 1398 must have harboured many Grail believers and that the secret colony must have expanded Bradley began to trace evidence of Grail Knights from Nova Scotia through New Brunswick to the St Lawrence River and on to the Great Lakes as far as Niagara New York State and central Pennsylvania Evidence of their presence has been uncovered on both the Canadian and American sides of this great waterway Bradley poses compelling questions about his discoveries and offers plausible and provocative answers as we travel with him and his companions both academic and amateur along the trail of the Grail Knights of North America **In Perfect Time** K.L. Noone, 2025-06-17 Kyle isn't good at fancy parties In fact he's hiding in the kitchen and helping with the catering avoiding his ex and his ex's wealthy and arrogant friends and feeling like he doesn't belong And that's when he sees his prince or at least a gorgeous mysterious stranger all alone Brendan only came to this party out of obligation he hates letting anyone down These days his band plays sold out shows and he loves performing but he's shy and awkward when not on a stage But the enchanting man he's just met is so easy to talk to and the chemistry's electric And for Brendan and Kyle this fairytale night just might lead to a happily ever after **Landscapes of Aesthetic Education** Stuart Richmond, Celeste Snowber, 2020-06-12 This book brings together two experienced educators from the fields of teacher education and arts education The authors Richmond a photographer and Snowber a dancer and poet see aesthetic education as aiming to extend creativity appreciation of the arts and nature and the sensuous qualities of everyday life to gain a more intimate understanding of the self and the world They include poetic
