*Japanese Folk Plays: The Ink Smeared Lady and Other Kyogen*, 2012-09-11 This collection of Japanese folk plays reveals a previously unknown and decidedly unaristocratic element to Japanese theater Interspersed between the stately slower paced dramas of Japan's Noh theater are the delightful comic plays or interludes known as Kyogen These brief plays evolved from the bawdy skits that were rousingly enjoyed by the plebeian populace of the cities in feudal Japan some hundreds of years ago when Noh itself was a pastime and entertainment exclusively reserved for the aristocracy Today they still provide delightful relief from the sustained and concentrated action of the Noh play that has changed very little throughout the centuries Among the various forms of classical Japanese drama the flamboyant action and brilliant coloring Kabuki has perhaps enabled it to be the most easily understood and the Noh in a number of excellent translations has become widely known for its poetic beauty But the Kyogen equally deserving of attention have remained relatively unknown Only now with this new edition of Miss Sakanishi's excellent translations are they at last readily available to the Western reader *The Frankster & Co, Party to Go - DJ & Karaoke* Frank Casto, 2012-12-19 The Frankster Co Party To Go Professional Mobile lighting live sound DJ Karaoke Top of the line equipment and modern music with paid subscriptions for current high quality song selections and up to date karaoke Sound for basic bands plus available slideshows videos music videos sent to TV's or projectors From casual to formal from the barn to the country club The Frankster and his wife Tammy bring high quality fun to any event Also at any given time there are assistants and friends that help make the party Anytime Anywhere The Frankster Co Party to Go **The Lady's Paladin** John DeLaMater, 2019-08-29 The Lady's Paladin A Policeman's Guide for the American Woman and the Western \_inker is interlaced with encouraging helpful information for women of all ages regarding a number of subjects Within its pages women will see their gender from a heightened perspective thereby sensing much greater potential within themselves In this process they will come to better understand men the fine and decent and most notably those to avoid in any relationship Married or single young or old the reader will be taken behind the scenes in police settings and read accounts of tragic incidents some of which could have been prevented DeLaMater skillfully navigates numerous police cases providing the reader with helpful insight to better help her avoid potential pitfalls for herself and loved ones including potentially harmful relationships His vast police experience will keep the reader on the edge of her seat at times and occasionally bring disgust upon learning of officials who failed society through their arrogance incompetence or impotence At the same time he clearly applauds the dedicated competent and hardworking Beyond heart wrenching accounts of tragic events many in which the author was personally involved he effortlessly traverses to romantic stories with a touch of humor Unafraid of self criticism he is likely to bring delightful thought and encouragement to the unsuspecting reader She will surely find in him a kindred spirit and a true friend as his respect for women is clearly visible Humility and deep thought emanate from this read as the author adeptly mixes things up a bit to stimulate the mind all to benefit women in relationships

with others including their children Finally this work ties together one s present status with great future potential as it introduces a heartwarming destiny for any woman seeking the most of what life has to offer Yes The Lady s Paladin A Policeman s Guide for the American Woman and the Western Thinker is based on both logic and a compilation of facts and evidence It is truly an eye opening work unlike no other
