Dragon Chronicles:

The Dragon Chronicles Malcolm Sanders,2002 This recently discovered journal will prove irresistible to any devotee of historical fantasy It s a carefully executed reproduction of the illustrated diary kept by the Great Wizard Septimus Agorius detailing his incredible attempts to hunt down and slay four malevolent dragons in accordance with the wishes of his dying king Beautifully drawn with amazing illustrations executed by some of the world s leading fantasy illustrators The Dragon Chronicles features a unique laminate cover with distressed artwork and gold foil lettering *Dragon's Milk* Susan Fletcher,2009-11-24 You must go to the dragon You must leave tonight Before she even hears the words Kaeldra already knows what she must do She must search out the mother dragon whose draclings have just hatched and somehow get some of her precious milk It s the only way to save her foster sister s life Kaeldra would rather not go It s much too terrifying much too dangerous But Kaeldra knows that she s the only one who can do it For she is the only one who can actually communicate with dragons But little does Kaeldra know what she s getting into She s about to begin a journey that will entwine her fate with that of three little draclings and one would be dragonslayer A journey the will become a struggle for life *Flight of the Dragon Kyn* Susan Fletcher,2009-10-27 There is a story about Kara and dragons When she was four she came down with vermillion fever Her parents thinking there was no cure left her in a cave to die A month later she walked back into her parents home as healthy as if she had never been sick It is said that a mother dragon lived in that cave and she nursed young Kara back to life Now eleven years later the only reminder of Kara s illness is a small scar on her cheek Of her contact with the dragon there is more Her eyes which once were blue are now green And she can call down birds which many believe is a sign that she can also call down dragons for the two are distant cousins Only Kara has her doubts How can a beast as huge and terrifying as a dragon be related to a sweet gentle bird But could this explain why the king has sent for her Does he think she has power over dragons For Kara the answer to this question means life or death not only for her but for all the dragons *Sign of the Dove* Susan Fletcher,2010-01-12 Lyf has always been pampered ever since she caught vermillion fever and drank dragon s milk to cure it The milk turned her eyes green a sure sign that she could speak with dragons But being able to communicate with dragons is not a coveted gift not when the Queen s forces are killing them for their hearts and imprisoning all who try to stop them Now the last of the dragon eggs are hatching and the dragons and draclings are in greater danger than ever before Their safety lies with a few dragon friends who bear the sign of the dove like Lyf But in order to save the dragons Lyf will have to leave behind her life as a pampered child and accept a treacherous journey one she may not survive **The Dragon Chronicles** Samuel Peralta,Monica Enderle Pierce,Chris Pourteau,2015-04-28 Dragons They are more than a memory from an age of wizards and heroes These winged fire breathing beasts soar through the traditions of many lands and through our dreams In their many guises Western or Eastern reptile or lizard or serpent wyvern hydra basilisk dragons embody everything that we humans call magic In this volume of the
