## **Draculas Cat:**

Dracula's Cat Jan Wahl, Kay Choro, 1978-01-01 A pet's eye view of life with Count Dracula *Dracula's Cat ; And, Frankenstein's Dog* Jan Wahl, 1990 Dracula's cat and Frankenstein's dog give pet's eye views of life with their masters

Dracula's Cat Jan Wahl, 1981-09-01 **The Vampire Kittens of Count Dracula** George Edward Stanley, 1997 After the new kitten he chooses from the pet store bites his sister's dolls on the neck Jonathan learns that the cat was meant for a new resident in town Count Dracula Draculas, Vampires, and Other Undead Forms John Edgar Browning, Caroline Joan "Kay" S. Picart, 2009-04-08 Since the publication of Dracula in 1897 Bram Stoker's original creation has been a source of inspiration for artists, writers, and filmmakers. From Universal's early black and white films and Hammer's Technicolor representations that followed, iterations of Dracula have been cemented in mainstream cinema. This anthology investigates and explores the far larger body of work coming from sources beyond mainstream cinema, reinventing Dracula. Draculas, Vampires, and Other Undead Forms assembles provocative essays that examine Dracula films and their movement across borders of nationality, sexuality, ethnicity, gender, and genre since the 1920s. The essays analyze the complexity Dracula embodies outside the conventional landscape of films with which the vampire is typically associated. Focusing on Dracula and Dracula-type characters in film, anime, and literature from predominantly non-Anglo markets, this anthology offers unique perspectives that seek to ground depictions and experiences of Dracula within a larger political, historical, and cultural framework. Catula Melissa Haas, 2012-07 Super fun captures the magic of the adorable cat Michael Kors designer who also admits that Catula scared the pants off of him. Join Dracula and his pets Batula, Ratula, along with his admittedly favorite Catula for one hilariously terrifying night within the shadows of the Transylvanian moon. Catula is the first volume in the fully colored picture book series, a collection written specifically with wit designed to be engaging for adults along with humor appropriate for children. Based on the real cat Realis Felines. Free ebook version included with proof of purchase. Everything in Edith's life is approaching disaster. Her writing career is stagnant. Her love life is a mess. Her ex Tessa is marrying a man. Her teeth are rotting in her skull. And her best friend Val is dead. Still Life volleys between the present and recent past, chronicling the lives of three women, one cis, two trans, all forever entwined. Edith was a bumbling boy pre-transition, in love with Tessa, enamored by Val, and drowning in Boston. She and Tessa called each other Joni and Joan, an homage to the musical backdrop of their fledgling adulthood. When Edith decides to leave behind the East Coast for graduate school, she begins a year-long journey away from the person she loves most and toward a hazy new understanding of who she will become. In the present, Edith visits Boston, feeling like a failure of a writer, a failure of a girl, and wracked with guilt over Val's death. Val, the intrepid wanderer, had drifted in and out of Edith's life, arriving in Texas with estrogen pills and wisdom from a life on the road. A sometimes lover, sometimes trans

mentor Val was everything Tessa wasn't and everything Edith needed Home alone in Texas she is left loveless and exhausted as the state slowly chips away at trans rights Was Val's fatal car crash Edith's fault Would she have stayed put if Edith had loved her better Katherine Packert Burke's debut novel unfolds like a rusty pocketknife jagged and lacerating Infused with pop culture cigarettes and Sondheim Still Life traces the lives of three friends authentic and evolving loving and cruel here and gone to craft a tableau of modern womanhood
