Dread Of Difference:

The Dread of Difference Barry Keith Grant, 2015-04-01 The Dread of Difference is a classic Few film studies texts have been so widely read and so influential It s rarely on the shelf at my university library so continuously does it circulate Now this new edition expands the already comprehensive coverage of gender in the horror film with new essays on recent developments such as the Hostel series and torture porn Informative and enlightening this updated classic is an essential reference for fans and students of horror movies Stephen Prince editor of The Horror Film and author of Digital Visual Effects in Cinema The Seduction of Reality An impressive array of distinguished scholars gazes deeply into the darkness and then forms a Dionysian chorus reaffirming that sexuality and the monstrous are indeed mated in many horror films Choice An extremely useful introduction to recent thinking about gender issues within this genre Film Theory The Dread of Difference Barry Keith Grant, 1996 An undying procession of sons of Dracula and daughters of darkness has animated the horror film genre from the beginning Indeed in this pioneering exploration of the cinema of fear Barry Keith Grant and twenty other film critics posit that horror is always rooted in gender particularly in anxieties about sexual difference and gender politics The book opens with the influential theoretical works of Linda Williams Carol J Clover and Barbara Creed Subsequent essays explore the history of the genre from classic horror such as King Kong and Bride of Frankenstein to the more recent Fatal Attraction and Bram Stoker s Dracula Other topics covered include the work of horror auteurs David Cronenberg Dario Argento and George Romero the Aliens trilogy and the importance of gender in relation to horror marketing and reception Other contributors include Vera Dika Thomas Doherty Lucy Fischer Christopher Sharrett Vivian Sobchack Tony Williams and Robin Wood Writing across a full range of critical methods from classic psychoanalysis to feminism and postmodernism they balance theoretical generalizations with close readings of films and discussions of figures associated with the genre The Dread of Difference demonstrates that horror is hardly a uniformly masculine discourse As these essays persuasively show not only are horror movies about patriarchy and its fear of the feminine but they also offer feminist critique and pleasure **The Dread of Difference** Barry Keith Grant, 1996 *The Spectator*, 1873 A weekly review of politics literature theology and art **The Fear of God in Relation to Religion, Theology and Reason** Robert BROWN (Minister of Markinch.), 1876 The Fear of God in Relation to Religion, Theology and Reason Robert Brown, 1876 *The Journal of Education*, 1910 **International Journal of Ethics**, 1892 **Citizen Science Fiction** Jerome Winter, 2021-03-19 Citizen Science Fiction draws on an interdisciplinary swath of literature and media to make the case that the science fiction genre can help rethink the pedagogical use of citizen science as a tool to interrogate our collective civic engagement with science and the incorporation of science into a rigorous exciting writing based curriculum The book revolves around recent developments in specific scientific disciplines including biology ecology computer science astronomy and cognitive science Winter closely studies a range of science fiction texts and tropes such as aliens robots clones mind
