**The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos, 1933-1945: Volume I** Geoffrey P.

Megargee, 2009-05-22 Winner of the National Jewish Book Award This valuable resource covers an aspect of the Holocaust rarely addressed and never in such detail Library Journal This is the first volume in a monumental seven volume encyclopedia reflecting years of work by the Jack Joseph and Morton Mandel Center for Advanced Holocaust Studies at the United States Holocaust Memorial Museum which will describe the universe of camps and ghettos many thousands more than previously known that the Nazis and their allies operated from Norway to North Africa and from France to Russia For the first time a single reference work will provide detailed information on each individual site This first volume covers three groups of camps the early camps that the Nazis established in the first year of Hitler's rule the major SS concentration camps with their constellations of subcamps and the special camps for Polish and German children and adolescents Overview essays provide context for each category while each camp entry provides basic information about the site's purpose prisoners guards working and living conditions and key events in the camp's history Material from personal testimonies helps convey the character of the site while source citations provide a path to additional information *Hitler's Spy Against Churchill* Jan-Willem van den Braak, 2022-06-16 From the summer of 1940 until May 1941 nearly twenty German Abwehr agents were dropped by boat or parachute into England during what was known as Operation Lena all in preparation for Hitler's planned invasion of England The invasion itself would never happen and in fact after the war one of the Abwehr commanders declared that the operation was doomed to failure There is no doubt that the operation did indeed become a fiasco with almost all of the officers being arrested within a very brief period of time Some of the men were executed while others became double agents and spied for Britain against Germany Only one man managed to stay at large for five months before eventually committing suicide Jan Willem Ter Braak Amazingly his background and objectives had always remained unclear and none of the other Lena spies had ever even heard of him Even after the opening of the secret service files in England and the Netherlands over 50 years later Jan Willem Ter Braak remained a mystery man as the military historian Ladislav Farago famously described him In this book the author his near namesake examines the short and tragic life of Jan Willem Ter Braak for the first time Using in depth research he investigates the possibility that Ter Braak was sent to kill the British Prime Minister Winston Churchill and discovers why his fate has remained largely unknown for so long *Current Population Survey, how to List* United States.
