Micki McGee

Codependent Forevermore:

Codependent Forevermore Leslie Irvine, 1999-10 She shows how Alex Paul Liz and many others create a sense of self by combining elements of autobiography culture and social structure all within the adopted language of psycho spirituality

BOOK JACKET The Language of the Heart Trysh Travis, 2009 In *The Language of the Heart* Trysh Travis explores the rich cultural history of Alcoholics Anonymous AA and its offshoots and the larger recovery movement that has grown out of them Moving from AA s beginnings in the mid 1930s as a men s fello

Prodependence Robert Weiss, 2018-09-18 Prodependence a new psychological term created by Robert Weiss to describe healthy interdependence in the modern world turns this around Rather than preaching detachment and distance over continued bonding and assistance as so many therapists self help books and 12 step groups currently do prodependence celebrates the human need for and pursuit of intimate connection viewing this as a positive force for change Simply stated prodependence occurs when attachment relationships are mutually beneficial with one person s strengths filling in the weak points of the other and vice versa And this can occur even when an addiction is present

Self Help, Inc. Micki McGee, 2005-09-08 Why doesn t self help help Cultural critic Micki McGee puts forward this paradoxical question as she looks at a world where the market for self improvement products is exploding and there seems to be no end in sight Rather than seeing narcissism at the root of the self help craze McGee shows a nation relying on self help culture for advice on how to cope in an increasingly volatile and competitive work world Self Help Inc reveals how makeover culture traps Americans in endless cycles of self invention and overwork as they struggle to stay ahead of a rapidly restructuring economic order

Addicted to Rehab Allison McKim, 2017-07-03 After decades of the American war on drugs and relentless prison expansion political officials are finally challenging mass incarceration Many point to an apparently promising solution to reduce the prison population addiction treatment In *Addicted to Rehab* Bard College sociologist Allison McKim gives an in depth and innovative ethnographic account of two such rehab programs for women one located in the criminal justice system and one located in the private healthcare system two very different ways of defining and treating addiction McKim s book shows how addiction rehab reflects the race class and gender politics of the punitive turn As a result addiction has become a racialized category that has reorganized the link between punishment and welfare provision While reformers hope that treatment will offer an alternative to punishment and help women McKim argues that the framework of addiction further stigmatizes criminalized women and undermines our capacity to challenge gendered subordination Her study ultimately reveals a two tiered system bifurcated by race and class
