[Journal of the Gypsy Lore Society](#), 1935 **Green Eyes at Echo Valley** Joan Sisson, 2008-05-23 This is Karen's second summer at Credenda Ranch in the Rocky Mountains. Last year she was a guest for two weeks; this year she's there all summer as a hired hand. She met Craig, the young ranch hand, last year too. Karen thinks she is somewhat prepared for the work there, having studied topics that Hank the Boss suggested. She's an advocate of ecology, nature, and animals. She soon learns there's a lot more to heavy ranch work, complicated by her encounters with prankster Jeff, another new hand, and Allyson, a guest of the ranch. The weather, loose horses, campouts, and illnesses add to the mix. **Modern Gypsies** Mary Crehore Bedell, 1924

Promise, 2004 This book covers the story of the Bozeman Trail, the shortcut through Wyoming and Montana that initiated the so-called Indian Wars on the Northern Plains from multiple perspectives. To the Indians, it was a route of invasion that led to cultural devastation and an end to a way of life. To the immigrants, it was a pathway through the wilderness that led to new settlements, a chance for owning land, and future prosperity. To help the reader appreciate the complex clash of cultures, the author employs both his pen and camera, writing sections from the opposing perspectives. The book opens with an imaginary letter from an emigrant woman describing her journey over the trail. It is linked to Native American interpretation of the Fetterman massacre through the eyes of a young Cheyenne warrior. Along with the narratives are words of warriors and soldiers who were involved in the events, including Fetterman's boast that with 80 men he could ride right through the Sioux Nation. Other quotes include Sherman's outright advocacy of the genocide of the Indians after Fetterman's defeat. On the Indian side, men like Crazy Horse, American Horse, Sitting Bull, and Red Cloud said that the whites made more promises than they could remember, but they kept only one: They promised to take our land, and they took it. The second half of the book is about reflections of the Bozeman Trail. Giving those reflections are a barrage of tribal historians, descendants of famous warriors who fought along the trail, as well as offspring of emigrants who traveled over the trail. Chief Alfred Red Cloud, a great grandson of Chief Red Cloud, presents the Red Cloud family's oral history of Red Cloud's War to close the Bozeman Trail, while contemporary scholars such as Susan Badger Doyle discuss the role John Bozeman played in the establishment of the trail; he actually pioneered less than a quarter of the route. Chapman's award-winning photography, mixed with archival images, ranges from wildlife and scenery along the trail to images of Indians and other people, both past and present, adding depth to the narrative. **Gypsies** Jean-Pierre Liégeois, 1986 Covers history, culture, and life style. *Buffalo Bill's America* Louis S. Warren, 2006-12-05 William F. Buffalo Bill Cody was the most famous American of his age. He claimed to have worked for the Pony Express when only a boy and to have scouted for General George Custer. But what was his real story? And how

did a frontiersman become a worldwide celebrity In this prize winning biography acclaimed author Louis S Warren explains not only how Cody exaggerated his real experience as an army scout and buffalo hunter but also how that experience inspired him to create the gigantic traveling spectacle known as Buffalo Bill s Wild West Show A dazzling mix of Indians cowboys and vaqueros they performed on two continents for three decades offering a surprisingly modern view of the United States and a remarkably democratic version of its history This definitive biography reveals the genius of America s greatest showman and the startling history of the American West that drove him and his performers to the world stage **Cody's**
