Reflections on the Work of Colin Wilson Colin Stanley, 2019-02-14 When the archive of the English philosopher and polymath Colin Wilson 1931 2013 was officially opened at the University of Nottingham UK in the summer of 2011 it was agreed among those present that a conference should be held there to discuss his work In July 2016 the First International Colin Wilson Conference was staged with the Proceedings being published a year later The success of that conference inevitably meant that a second was arranged and held two years later in July 2018 This volume which will be of interest to scholars and fans of Wilson s work in addition to students of philosophy and consciousness studies contains the transcripts of the papers presented on July 6 2018 day one of that second conference Experts scholars and fans from around the globe gathered to hear and present papers on a variety of Wilson related topics ranging from Existentialism to the Occult from Robert Musil to classical music and from Transpersonal Psychology to Transcendental Evolution

The Outsider Colin Wilson, 2025-02-06 The classic study of alienation creativity and the modern mind Excitingly written with a sense of revelation GUARDIAN Exhaustive luminously intelligent OBSERVER THE OUTSIDER was an instant literary sensation when it was first published in 1956 thrusting its youthful author into the front rank of contemporary writers and thinkers Wilson rationalised the psychological dislocation so characteristic of Western creative thinking into a coherent theory of alienation and defined those affected by it as a type the outsider Through the works and lives of various artists including Kafka Camus Hemingway Hesse Lawrence Van Gogh Shaw Nietzsche and Dostoevsky Wilson explored the psyche of the outsider his effect on society and society s on him Nothing that has happened in the decades since has made THE OUTSIDER any less relevant
