A Determined Man:

A Determined Man Arthur O. Aloisio,2010-12 From the moment he was born his mother witnessed a severe accident that almost claimed his life but was luckily saved He grew up as a shy child of immigrant parents after the depression Eventually the author was able to break out of his timidness and succeed in two careers The story shows how his personality exploded in his middle twenties to eventually become a confident individual in large groups In his early childhood his family was unaware of a certain hardship that existed Being the youngest child of the family he always thought that he had to prove to others that he would succeed The author points out that in life you can set goals for yourself and sometimes exceed them In elementary school he was not considered the top student in his class but never feared that he could one day reach that level As a parent he was aware of his duties as the leader of the family to seek out opportunities to better himself monetarily and change careers for it You will be able to see how this author approached life with a competitive spirit that allowed him to adapt with the conditions that existed at the time and succeed Some families today may have children who have the same issues that the author had and apply the same principles that this author described in his story It s an extraordinary story about someone s life who reached success by true grit

Ambushed: an Uplifting Story by a Determined Man Dr. Paul L. Freeman Jr.,2015-08-14 Can I have hope in what appears to be a hopeless situation Is the question confronting a vast number of Christians today As Christians we know all of the right words to say when an unexpected storm enters our life but living what we profess becomes a challenge when it appears that God is not hearing our prayers I have learned that it is easy to trust God when life is going well However can we trust Him when we find ourselves in the midst of a storm and Jesus appears to be sleeping As such the ultimate purpose of this book is to encourage others that they must never allow their situation to cause them to give up on God because God doesnt give up on us Therefore it is because of the life of Christ and this situation that I have transitioned from asking Why me to Why not me

Lincoln's Mentors Michael J. Gerhardt,2021-02-02 An original insightful examination of how Abraham Lincoln learned to lead and made an extraordinary political comeback The Wall Street Journal In 1849 when Abraham Lincoln returned to Springfield Illinois after two seemingly uninspiring years in the U S House of Representatives his political career appeared all but finished His sense of failure was so great that friends worried about his sanity Yet within a decade Lincoln would reenter politics become a leader of the Republican Party win the 1860 presidential election and keep America together during its most perilous period What accounted for the turnaround As Michael J Gerhardt reveals Lincoln s reemergence followed the same path he had taken before in which he read voraciously and learned from the successes failures oratory and political maneuvering of a surprisingly diverse handful of men some of whom he had never met but others of whom he knew intimately Henry Clay Andrew Jackson Zachary Taylor John Todd Stuart and Orville Browning From

their experiences and his own Lincoln learned valuable lessons on leadership mastering party politics campaigning conventions understanding and using executive power managing a cabinet speechwriting and oratory and what would become his most enduring legacy developing policies and rhetoric to match a constitutional vision that spoke to the monumental challenges of his time Without these mentors Abraham Lincoln would likely have remained a small town lawyer and without Lincoln the United States as we know it may not have survived This book tells the unique story of how Lincoln emerged from obscurity and learned how to lead Abraham Lincoln had less schooling than all but a couple of other presidents and more wisdom than every one of them Gerhardt explains how this came to be The Wall Street Journal Gerhardt has devised an ingenious solution for demystifying America s most enigmatic president These pages trace how a poor backwoods farm boy rose to become among the most eloquent defenders of America s highest ideals as well as a steely and tenacious source of unity when the nation needed it most Russell L Riley co chair Presidential Oral History Program at the University of Virginia s Miller Center
