Code Name Rescue:

Code-Name Bright Light George J. Veith,1998-02-01 Tells one of the great unknown stories of the Vietnam War the American military's extensive secret operations to locate rescue POW MIAs during the conflict Veith has assembled an extensive range of previously unseen material which reveal how the U S military conducted a centralized effort to identify locate rescue its POW MIAs Uncover the primary reason why the government did not think any Americans were left behind a clandestine communication program between the POWs the U S military This still sensitive program provided the identities locations of American prisoners defeating North Vietnamese efforts to keep their names locations a secret Illustrations

Special Warfare ,2000 **The Encyclopedia of the Vietnam War** Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today's world Now in its second edition The Encyclopedia of the Vietnam War A Political Social and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO Great Wartime Escapes and Rescues David W. Mills,Kayla L. Westra,2019-05-17 Students military historians and casual readers will all find this compelling collection useful in learning about escape strategies hostage situations and rescue operations during times of conflict *Prologue* ,2014

Flying ,1944 Leaking Elie Abel,1987 The press has often been called the handmaiden of government Certainly that was the case when journalists who covered government operations whether at the federal state or local level dutifully reported what they received by way of news releases or statements from government spokesmen Though the press today is the handmaiden of the government the official reporting of statements have turned into the unofficial and anonymous leaks from the government For the most part such leaks are useful They do add to the understanding of the government by the public and consequently tends to lead to more accountability However there have also been long problems with the media and leaks As some politicians and insiders use the media as an instrument to gain favor or start exaggerated mud slinging the press does not much care about the motives of its sources only if it is news In *Leaking Who Does It Who Benefits At What*

Cost veteran journalist and author Elie Able considers what can be done about the leaks and leakers It is his view that nothing can or should be done to muzzle leakers but that the press might consider taking voluntary action to be somewhat more responsible in making clear the motives of those who leak His paper is useful and informative and wise on leaking recognizing both the value and the limitations of leaks

The Secret Vietnam War Jeffrey D. Glasser,1995 The U S Air Force operated from seven primary bases in Thailand and nearly 300 000 servicemen were stationed in the country Through extensive research including previously classified government documents and interviews with airmen who flew the missions a detailed history of Air Force operations in Thailand emerges The primary focus is on the units their missions and the aircraft involved The plight of POWs who flew from the Thai bases is also thoroughly examined with a discussion of the current status of the POW MIA issue

Spies and Commandos Kenneth J. Conboy,Dale Andradé,2000 During the Vietnam War the U S sought to undermine Hanoi s subversion of the Saigon regime by sending Vietnamese operatives behind enemy lines All the commandos were killed or captured with many reporting false information This book traces the rise and demise of this secret operation

Practical, Tactical, and Legal Perspectives of Terrorism and Hostage-taking James M. Poland,Michael J. McCrystle,1999 The volatility of hostage taking events especially terrorist hostage takings requires negotiators and tactical response teams to face complicated challenges This text provides tactical information concerning the interactive strategies of hostage negotiations as well as a comprehensive review of the legal perspectives related to hostage taking incidents

Understanding Terrorism James M. Poland,2004 This comprehensive and completely up to date book provides a straightforward introduction to terrorism that helps readers better understand this complex subject The book identifies terrorist groups reviews terrorist tactics and examines police and government responses to reduce or eliminate the incidence of terrorism Fully updated to include coverage of Al Qaeda suicide bombers specific threats posed by weapons of mass destruction and the latest counter terrorism strategies

Understanding Terrorism Groups Strategies and Responses2e brings together the latest scholarship and coverage of the latest world events to bring you the most complete and most current introduction to terrorism book currently available Reaches a broad audience from the criminal justice professional to the vigilant civilian

Counter-terrorist Sam Hall,Larry Hussman,Felicia Lewis,1987 Counter Terrorist is the story of a man who quit his management job in his family s business and joined a U N peacekeeping mission in the Sinai While there he was trained by Israeli commandos and began an adventurous five year career fighting terrorism

Photographs *Keepers of the Keys* John Prados,1991 The true story of how the National Security Council was transformed from a small advisory board under Truman virtually to supplant the State Department under Nixon and then to conduct covert illegal operations under Ronald Reagan
