

# COMPETENCE

## DEFINITION

Competence refers to the ability of an individual to effectively perform or carry out a task, skill, or role. It encompasses having the necessary knowledge, skills, experience, and capability to achieve desired results. Competence is not just theoretical knowledge but also the practical ability to use that knowledge in real-world situations.

## EXAMPLES

- **Medical Competence:** A surgeon successfully performs a complex surgery, demonstrating her competence in the medical field.
- **Linguistic Competence:** A translator accurately translates a document from French to English, showcasing his competence in both languages.
