## Amendment Process

What does it take to change the constitution?

An amendment must be approved by the Virginia Senate and House of Delegates in two sessions with an election in between, and then by a majority of voters in the next general election, which only occurs in even years.

An amendment requires a two-thirds majority in both houses of Congress and ratification by three-fourths of state legislatures.

With a two-thirds vote in each house, both the US and VA can hold constitutional conventions to amend their constitutions.
