Awakening Light A Journey of Wisdom and Compassion Ritik ray,2024-02-11 Embark on a transformative odyssey through Awakening Light where Anika's journey intertwines with the wisdom of Siddhartha in the tranquil village of Sarnath. Guided by the lotus pond's serenity, the forest's dance of shadows, and the whispering winds, Anika's quest for self-discovery and compassion unfolds like petals of a lotus. This captivating tale invites readers to explore their own consciousness, culminating in *The Radiant Heart*, a profound culmination that leaves an indelible mark on the soul. Awakening Light is not just a book; it's an invitation to illuminate the light within.

Compassion Osho,2010-04-01 In *Compassion: The Ultimate Flowering of Love*, one of the greatest spiritual teachers of the twentieth century explores how to empathize with others and ourselves. Examining the nature of compassion from a radically different perspective, Osho reveals that passion lies at the root of the word and then proceeds to challenge assumptions about what compassion really is. Many so-called acts of compassion, he says, are tainted by a subtle sense of self-importance and desire for recognition. Others are based in the desire not really to help others but to force them to change. Using stories from the lives of Jesus and Buddha and the world of Zen, Osho shows how the path to authentic compassion arises from within, beginning with a deep acceptance and love of oneself. Only then, says Osho, does compassion flower into a healing force rooted in the unconditional acceptance of the other as he or she is. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi, Nehru, and Buddha who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

The Compassion Connection Nerney, Catherine, T.,2018-08-23 Nerney guides the reader on a narrative journey through and toward compassion for our fellow human beings, emphasizing connectedness rather than perceived differences. Intended to impel action, this book will be a valuable resource for social activists, parish groups, and spiritual seekers looking for new ways to appreciate and deepen their faith.

Theology from the Womb of Asia C.S. Song,2005-07-07 With *Theology from the Womb of Asia*, Song continues to demonstrate that he is one of the most creative and important theologians of our time. He forces us to expand the horizons of our theological vision, not only by drawing on the resources of Asian thought and experience but also by insisting that we do theology with passion. Here, he offers images, fables, poems, parables, and visions woven together with his own compelling prose. The biblical stories, with which we thought we were familiar, become new and more compelling stories when we revisit them with this able and wise guide. And our whole approach to life and living is transformed by the freshness he breathes into all that he surveys with us.

Robert McAfee Brown, Professor Emeritus of Theology and Ethics, Pacific School of Religion. In *Theology from the Womb of Asia*, C. S. Song shows how the story of God's compassion in Jesus and the many heartrending stories and poems of the Asian
