Comparative Regional Systems:

Comparative Regional Systems Werner J. Feld, Gavin Boyd, 2016-06-06 Comparative Regional Systems West and East Europe North America the Middle East and Developing Countries is a comparative study of regional systems namely West and East Europe North America the Middle East and developing countries This book examines the patterned and unpatterned forms of international activity through which states relate to the most important entities in world politics their neighbors The cooperative and conflictual behavior in international politics occurring within regional contexts is discussed with emphasis on the sources and forms of this behavior as well as the issues that contribute to it and those that it creates This monograph is comprised of 15 chapters and opens with an analysis of clusters of variables that form linked patterns within each international region paying particular attention to the developmental issues that appear to be posed in the various regions of world politics The following chapters focus on social psychological factors in regional politics regional patterns of economic cooperation political change in regional systems patterns of transregional relations and interactions between regional organizations in various parts of the world and the global system that may affect either the operation of the latter or influence actions and functions of the former The final chapter examines the problems and pitfalls of regional integration theories along with their inability to scientifically predict the pathways of regional development This text is designed to assist students professionals and the general public interested in international relations Comparative Regional Systems Werner J. Feld, Gavin Boyd, 1980-01-01

Comparative Regional Integration Dr Finn Laursen, 2013-03-28 This volume features up to date studies of regional integration efforts in all major parts of the world especially North America South America and East Asia Comparisons are drawn between these efforts and those made in the EU where integration has progressed much further The book asks what explains the variation in achievements What kind of agreements and institutions are needed to produce regional integration Is pooling and delegation of sovereignty necessary to overcome collective action problems How important is regional leadership This work is a major new contribution to the literature on regional integration and will appeal to theorists policymakers students and other readers concerned about world developments It will also be of value to courses covering international political economy international relations and regional integration at both undergraduate and graduate level

The Inter-American Human Rights System Par Engstrom, 2018-06-26 This volume brings together innovative work from emerging and leading scholars in international law and political science to critically examine the impact of the Inter American Human Rights System IAHRs By leveraging a variety of theoretical frameworks and methodological approaches the contributors assess the impact of the IAHRs on domestic human rights change in Latin America More specifically the book provides a nuanced analysis of the System s impact by examining the ways in which the IAHRs influences domestic actors and political institutions advancing the realisation of human rights This work will be of interest to students and scholars of human rights and Latin American politics

as well as to those engaged with the nexus of international law and domestic politics and the dynamics of international and regional institutions

Asia and Europe Lay Hwee Yeo, 2004-03-01 This book provides a systematic and thorough examination of the Asia Europe Meeting ASEM process which brings together the fifteen EU member states the European Commission and ten East and Southeast Asian countries The author not only traces the actual development of the ASEM process but also contextualises ASEM within three different international relations theoretical frameworks as viewed by realists social constructivists and institutionalists

Regionalization in a Globalizing World Michael Schulz, Fredrik Soderbaum, Joakim Öjendal, 2001-05 The emerging role of regional systems of relations is an important feature of the new global politics While the European Union is the most advanced case most other parts of the world display at least the beginnings of regional systems Using a multidisciplinary approach the contributors examine these processes from a comparative perspective concentrating on the following questions what constitute a region how is the historical process of region formation unfolding what motives and factors underlie this drive to regionalisation what forms a regional awareness and institutionalisation are emerging and where what are the future prospects

and rapidly evolving research discipline as well as identifying key trends and outlining an ambitious future research agenda

Asia and U.S. Foreign Policy James Chieh Hsiung, Winberg Chai, 1981 Asia in the 1980s will be extremely important for the U S The factors which make it a locale of intensified U S Soviet rivalry include the extension of Soviet naval power to the Western Pacific the potential of a U S China security cooperation on the theme of antihegemony the growing Soviet interests in Southwest Asia and the Persian Gulf area and instability in Indochina Great Britain, the United States, and the

Security of the Middle East Magnus Persson, 1998 Examines the at once competitive and cooperative nature of Anglo American relations in the 1953 to 1955 formation of the multinational security organization known as the Baghdad pact which was designed to keep Soviet influence out of the Middle East The author argues that policy disagreements over such issues as the treatment of Iraq in contrast to the two countries shared view of the necessity of a containment policy against the Soviet Union are typical of the paradoxical nature of the relationship between the US and Britain a relationship which nevertheless is primarily characterized by collaboration Annotation copyrighted by Book News Inc Portland OR **Anasazi**
