Boys Against The Challenges Nikolaos Ntafos, 2017-06-12 After humanity destroyed itself only 200 boys survived They were all sent to the Village an incredible installation inside a giant glass box that is hanging from the clouds over the Pacific ocean Robots were in charge of raising the boys since they were babies Now 18 years after he first arrived at the Village with the rest of the boys Nate is ready for his first day as an adult But the good life that he and his friends expected goes terribly wrong when all of the robots stop functioning Just when the guys start to take care of things on their own a set of strange malfunctions at the installation reveals to them the Challenges A series of physical condition tests so extreme and difficult that will make their bodies and willingness to live reach their very limits And the terrifying Challenges appear to be just the beginning of a journey that will take them closer to death than they ever imagined and unleash their ultimate fate
