Sequels Janet G. Husband,Jonathan F. Husband,2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

**The Alpine Scandal** Mary Daheim,2008-01-29 Welcome to mystery lovers favorite destination Alpine Washington Mary Daheim's picturesque old logging town in the foothills of the Cascade Mountains From the Venison Inn to the Upper Crust Bakery Front Street is jumping and the nerve center of the community is the office of *The Alpine Advocate* Emma Lord's weekly newspaper which keeps folks up to speed on everything from joyous weddings to sudden violent death *THE ALPINE SCANDAL* It's a quiet morning at the Advocate until the mail brings shocking news a formal obituary for Alpiner Elmer Nystrom As far as anyone knows Elmer is alive and well But he hasn't turned up for work so Emma and her unstoppable House Home editor Vida Runkel rush to the Nystrom home where they find Elmer's lifeless body in the henhouse half buried under straw Not only has he been murdered but his obituary had been mailed before he died Though Elmer was well liked by everyone the same cannot be said of his standoffish wife or his son the town's new orthodontist Rumors fly straight into the office of the Advocate Why did Dr Nystrom's new receptionist resign at the end of her first day Why are the Nystroms neighbors so close mouthed Who mailed that prophetic obituary With Sheriff Milo Dodge in the hospital it's up to Emma and Vida to get to the bottom of the tragedy Alpiners love scandal and with Elmer's murder they'll get their fill *The Alpine Scandal* number nineteen in this bestselling series is as suspenseful and charming as its predecessors a delicious look into the life of a small town where all inhabitants know one another just not as well as they thought

*Mystery Women, Volume Three (Revised)* Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or

because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

**The Alpine Menace** Mary Daheim, 2009-04-02 For once Emma Lord editor publisher of *The Alpine Advocate* isn't thrilled by having an inside track The Seattle strangling murder of Alpine native Carol Stokes is generating headlines but the accused killer is Emma's long lost cousin Ronnie who swears he was out drinking when his girlfriend was strangled But he can't prove it and neighbors claim they heard the couple fighting moments before the murder Now Emma and supersnoop Vida the Advocate's house and home editor must find another suspect Someone who hated Carol enough to write a tragic ending to her life story Someone who is preparing to edit Emma and Vida right out of existence

**The Alpine Uproar** Mary Daheim, 2009-06-23 BONUS This edition contains an excerpt from Mary Daheim's *The Alpine Vengeance* Picturesque Alpine is no longer the brawling logging town of yesteryear So when a drunken fight at the Icicle Creek Tavern leaves a loner named Alvin De Muth dead the residents feel as if they've gone back to the Bad Old Days The inquiry into the incident should be a no brainer but since the witnesses were half tanked at the time Sheriff Milo Dodge is left with conflicting stories But soon Emma Lord editor and publisher of *The Alpine Advocate* has an even bigger story to report a heartbreaking highway accident that leaves two people dead and one on life support Rumors are flying Are the two tragedies linked in some inexplicable way Assisted by that human bulldozer Vida Runkel the Advocate's House Home editor Emma goes for the gold

*Silk Stalkings* Victoria Nichols, Susan Thompson, 2000-09-20 *Silk Stalkings* When Women Write of Murder first published by Black Lizard Books in 1988 began more than fifteen years ago as the authors personal shopping list United by a common interest in crime and mystery fiction written by women and unable to find a reference source listing these titles the team of Nichols Thompson began to compile a list for themselves They have done it again the result is the remarkable *Silk Stalkings* More Women Write of Murder That the genre has grown enormously since the first edition was published is obvious The authors not only updated past references but have also searched out and introduced new women mystery writers This book provides a comprehensive survey of series characters created by women authors in crime and mystery fiction from 1867 to 1997 The first half of the book categorizes 187 characters created since 1976 by profession avocations and inclination and discusses them in a frank witty critical voice

The second half consists of a master list alphabetically arranged by author's real name and cross referenced by pseudonyms and a series character to author list. The depth of the author's research is impressive and the detail is impeccable. The authors have been actively involved in the community of mystery writers for fifteen years attending conferences and getting to know the authors of the books chronicled in *Silk Stalkings*. Nichols Thompson provide scholars and fans alike with a source of long lost or forgotten treasures as well as what is currently hot in the world of women's mystery writing today. This extraordinary reference effortlessly blends engaging observations with useful data into a work that will continue the well established tradition of *Silk Stalkings*.

**The Alpine Icon** Mary Daheim, 1997-07-30 ALL THE MURDER FIT TO PRINT Editor/publisher Emma Lord and her *Alpine Advocate* staff suspect excitement when glamorous Ursula O Toole Randall returns to Alpine to marry her third husband. But hers is a lethal homecoming. Ursula clad in satin pajamas is found dead in the shallow waters of the Skyhomish River. Sheriff Dodge suspects foul play. Yet as Emma hunts for a stop press story, a snake in the grass killer unappreciated by one murder slithers unnoticed through the shadows.

*Alpha Alpine* Mary Daheim, 2017-12-12 Emma Lord is back and better than ever. This time around the amateur detective partners up with a rookie sleuth to investigate a string of murders in her beloved Alpine, Washington. For a small town nestled in the Cascade Mountains foothills, picturesque Alpine provides more than enough headlines to fill the pages of editor and publisher Emma Lord's *Alpine Advocate*. The Labor Day edition's lead story features controversial timber baron Jack Blackwell's scheme to become Skykomish county manager. But the recent strangling deaths of two young women are all anyone can talk about. After a third body is found, Emma's husband Sheriff Milo Dodge suspects there's a serial killer in their midst. The latest victim is the sister of a dashing newcomer rumored to be working for Blackwell Black Jack, as he's known to his non admirers, has a long standing rivalry with Milo. To discover if there's any connection between the mogul and the murders, Emma recruits the *Advocate*'s receptionist Alison Lindahl to do a little digging. Still recovering from a recent breakup, Alison welcomes the distraction. But when the investigation puts the eager protégé in the line of fire, Emma worries that the cub reporter's career will be over before it even begins.

Praise for *Alpha Alpine* Part of what makes this series so great is touching base with the characters returning to the idyllic locale of Alpine and spying on all the drama and mayhem. Fans of Emma Lord will love this one, but this one might also be a great place for people who haven't read the series to jump on board. The Book Review Full of drama and action, I really tried to slow down and savor this book, but that was almost impossible. I am already anxiously waiting for the next Emma Lord. Mystery Escape with Dollycas I always know I can count on a good read with a Mary Daheim book. My Merri Way
