Alternative Gospel:

Christless Christianity Michael Horton, 2008-11-01 Is it possible that we have left Christ out of Christianity Is the faith and practice of American Christians today more American than Christian These are the provocative questions Michael Horton addresses in this thoughtful insightful book He argues that while we invoke the name of Christ too often Christ and the Christ centered gospel are pushed aside The result is a message and a faith that are in Horton s words trivial sentimental affirming and irrelevant This alternative gospel is a message of moralism personal comfort self help self improvement and individualistic religion It trivializes God making him a means to our selfish ends Horton skillfully diagnoses the problem and points to the solution a return to the unadulterated gospel of salvation

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
