Alternative Twelve Steps A Secular Guide To Recovery:

The Alternative 12 Steps Martha Cleveland, Arlys G, 2014-07 In 1991 two women were successfully working the 12 Step program and they were atheists They knew the program worked and translated the Steps into secular terms This groundbreaking book as valuable today as it was when it was first written is their sharing of this secular translation In *The Alternative 12 Steps A Secular Guide to Recovery* Martha Cleveland and Arlys G show how the 12 Step program can be interpreted and worked by those who simply do not believe in an interventionist deity At the same time the authors conscientiously maintain the intention and integrity of the program its values scope and depth A chapter is devoted to each Step The language is clear engaging and personal The Foreword to this Second Edition of the book begins with a striking quote from Chapter Three which captures the essence of both the book and the 12 Steps We can learn the universal generic pattern of life s dance from the 12 Steps But in our individual dance of life we choose our own music and dance our own dance This is a unique inspiring and helpful book for anyone regardless of belief or lack of belief who would like to work the 12 Step program

The Twelve-Step Journal Claudette Wassil-Grimm, 1996 This exciting revolutionary workbook designed for anyone on a Twelve Step oriented recovery program adapts beautifully to nearly all recovery programs It presents the twelve steps in their original form as well as in alternative secular version and offers exercises and suggestions for journal entries that include topics such as storytelling dreams confessions and conflicts and resolutions
