**Bloody Sixteen** Peter Fey, 2018-05 Strategy and reality collide in Peter Fey s gripping history of aircraft carrier USS Oriskany s three deployments to Vietnam with Carrier Air Wing 16 CVW 16 Its tours coincided with the most dangerous phases of Operation Rolling Thunder the ill fated bombing campaign against North Vietnam and accounted for a quarter of all the naval aircraft lost during Rolling Thunder the highest loss rate of any carrier air wing during Vietnam The Johnson administration s policy of gradually applied force meant that Oriskany arrived on station just as previous restrictions were lifted and bombing raids increased As a result CVW 16 pilots paid a heavy price as they ventured into areas previously designated off limits by Washington DC Named after one of the bloodiest battles of the Revolutionary War the Oriskany lived up to its name After two years of suffering heavy losses the ship caught fire a devastating blow given the limited number of carriers deployed With only three months allotted for repairs Oriskany deployed a third and final time and ultimately lost more than half of its aircraft and more than a third of its pilots The valor and battle accomplishments displayed by Oriskany s aviators are legendary but the story of their service has been lost in the disastrous fray of the war itself Fey portrays the Oriskany and its heroes in an indelible memorial to the fallen of CVW 16 in hopes that the lessons learned from such strategic disasters are not forgotten in today s sphere of war bent politics      **Operation Linebacker I 1972** Marshall Michel III, 2019-01-24 Arguably the first modern air campaign this is the story of Linebacker I which brought laser guided bombs electronic warfare and anti radar missiles to bear on North Vietnam s invading army      *Listening to Ghosts* Bob Stockton, 2016-06-17 *Listening To Ghosts* Second Edition is an accounting of Bob Stockton s reminiscences while coming of age in a Northeastern blue collar neighborhood his subsequent escape to the United States Navy and his twenty year career as an enlisted man in the Cold War and Vietnam era Written in the first person Bob Chronicles the many adventures and misadventures of his Navy career in frank candid and politically incorrect language This second edition written by the author of the first edition features new illustrations streamlined chapters and previously unpublished content      [The Kappa Alpha](#)
