Environment as a Weapon Charles Travis, 2024-03-20 Environment as a Weapon considers how the confluence of war and nature from the time of the Agricultural Revolution 10 000 BCE to our present day has been represented in works of history geography and literature In the Epic of Gilgamesh the Torah and Greco Roman myths warfare is a trope commensurate with environmental disasters extreme climate and plague In the medieval age myths the T in and Beowulf environments become allies and enemies The equestrian steppeland as foundation of Genghis Khan s and his heirs Pax Mongolica is chronicled in The Secret History of the Mongols and The Travels of Marco Polo The West African Griot legend of Sundiata and the Little Ice Age wreck of the Spanish Armada in 1588 speak to oceanic and atmospheric dimensions of warfare American Revolution political pamphlets poetry diaries and weather logs reflect the severe weather and terrain deployed by George Washington s early campaigns in the war of independence Napoleon s midwifing of Total War is captured in Mary Shelley s Frankenstein Leo Tolstoy s War and Peace and Charles Minard s Carte figurative cartograph of the disastrous 1812 French invasion of Russia The U S Civil War and the organic industrial assembles of its battles arguably the first Anthropocene War is parsed by the clarifying poetry of Emily Dickinson Geopolitik and geo hazards of flood and fire feature in the Global War works of Samuel Beckett Kurt Vonnegut and James Dickey The literature of Vietnamese and American war combat veterans reveals how North Vietnam s Environmental Military Complex stalled the American Military Industrial Complex in the jungles and R R districts of southwestern Asia Finally the sci fi of H G Wells World Set Free and David Mitchell s Cloud Atlas frame Oppenheimer s sub atomic deployments at Hiroshima and Nagasaki James Lovelock s Gaia and U S military discourses situating global warming as a national security threat to America Indeed Environment and War ironically resonates with U N Secretary General Antonio Guterres proclamation that seventy five years ago the world emerged from a series of cataclysmic events two successive world wars genocide a devastating influenza pandemic Our founders gathered in San Francisco promising to save succeeding generations from the scourge of war Thus a holistic approach to studying and mitigating the human and environmental impacts of warfare must integrate methods from the arts humanities and sciences This involves understanding how the historical geographies of the Earth s planetary systems have been perceived deployed and emerged as agents of warfare with the lithosphere hydrosphere cryosphere biosphere and atmosphere transformed as arsenals against anthropogenic global warming This book will be of interest to geographers historians and scholars in environmental studies climate change literature and military studies as well as the broader environmental humanities **Altern** Walter Vogt, 1983

**The Emprise of Poetry** Michael Eskin, 2024-11-14 The Emprise of Poetry analyzes the insidious entwinement of anti Americanism and antisemitism in modern and contemporary German culture through the writings of one of its most acclaimed literary figures Dresden native Durs Grünbein 1962 Michael Eskin offers an unprecedented view of the American cum Jewish discontents at the heart of modern and present day German culture through the exemplary lens of the work of

Durs Grünbein is the most widely translated and globally honored living German poet and the only one to have been hailed as the Berlin Republic's most qualified contemporary candidate for the office of German national poet. Yet as Eskin outlines, Grünbein's work contains a paradoxical and tension-filled twofold self-construction as an idiosyncratically American poet and Ezra Pound's vociferously philo-Semitic heir who merely happens to be writing in German as it were, conjoined with an avidly anti-American German poet who writes emphatically and not always savorily as a German and a self-proclaimed heir to the legacies of Celan and Kafka, most notably on matters American and Jewish. Against the foil of these tensions, Eskin traces and documents postwar German high culture's persisting inability to purge itself of ideological toxins that leach into the mainstream from centuries-old prejudices and antagonisms revolving around Germany's love-hate bond with America as well as its ostensibly enduring suspicion and antipathy toward Jews. Eskin's deep dive into the American Grünbein's apparent philo-Semitism coupled with the German Grünbein's antisemitically inflected anti-Americanism reveals the fault lines underlying the complex and contradictory legacies and contexts of postwar German culture.

### **The Alternative Luther**

Else Marie Wiberg Pedersen, 2019-09-18. Contributors to this book analyze areas of Martin Luther's and Lutheran theology that have otherwise been neglected or underrepresented in the five hundred years since the Reformation. They constructively widen the scope of Luther and Lutheran theology by viewing both from the perspectives of the subaltern, those whose voices are barely or rarely heard. The book formulates an inclusive Lutheran theology that reaches out but does not close out. The book's sections address Precarious Life from Luther's own precarious existence as an outlaw under a death sentence to other precarious life situations seen from various Lutheran perspectives; Body and Gender addressing different aspects of gender and sexuality from new angles; Women and Sexual Abuse focusing on present-day problems of abuse in an encounter with Luther's exegesis of biblical texts of terror; and Economy, Equality, and Equity addressing Lutheran views on economy and equality that break new ground regarding common goods and the Anthropocene.

Oxford Textbook of Palliative Care for Children, Ann Goldman, Richard Hain, Stephen Liben, 2012-05-24. The first edition of this book was the first authoritative systematic and comprehensive text to define the increasingly important and evolving specialty of paediatric palliative care. It explores both the clinical aspects and the multidimensional and holistic nature of care for the dying child based on the knowledge that all human experience has a physical, emotional, psychological, and spiritual impact. The book covers ways of providing support in all of these areas, both for the child, families, and carers, recognising the importance of teamwork and taking an evidence-based approach. The Oxford Textbook of Palliative Care for Children is about the care of children for whom cure of their underlying disease is not possible. It encompasses the physical management of symptoms such as pain and nausea, as well as social issues such as accessing appropriate education, emotional issues such as techniques for communication, and spiritual issues such as feelings of guilt and isolation. The book suggests that if we are to maintain the quality of life for a child, it is essential to recognise all these dimensions and try to address them. This can only be done by

recognising the skills of a wide range of professionals and working together in ways that are not always intuitive to any one discipline It explores the multidimensional and holistic nature of care for the dying child Those working in paediatric palliative care recognise that all human experience has emotional psychological and spiritual impact as well as physical and this book offers the essential information needed for those involved in paediatric care to find ways of providing support in all of these areas Comprehensive in scope exhaustive in detail and definitive in authority this second edition has been thoroughly updated to cover new practices current epidemiological data and the evolving models that support the delivery of palliative medicine to children Paediatric palliative care is now developing in countries with differing health care systems and being adapted to suit individual illnesses and the varying resources and geography in different parts of the world This book is an essential resource for anyone who works with children worldwide
