**Rewritten Movie Endings** Theo Rourke, AI, 2025-03-29 *Rewritten Movie Endings* explores the pivotal role a film's conclusion plays in its lasting impact dissecting movies with alternate finales and the reasons behind those crucial decisions. It delves into the complex interplay between artistic vision and commercial demands revealing how studios, directors, and even test audiences shape a film's ultimate message. Did you know that some endings are altered to appease censors or boost box office appeal? The book examines how these changes affect audience perception and critical evaluation highlighting that a film's ending is not just a final scene but a defining element. This collection of essays embarks on a comprehensive study using studio archives, director's commentary, and critical analysis to uncover the motivations behind rewritten conclusions. The book analyzes films across genres and eras presenting insightful case studies that illustrate the creative and commercial pressures at play. Beginning with an introduction to the concept of alternate endings, the book progresses through detailed examples analyzing films where studio interference, test audience reactions, or director choices led to different conclusions offering a fresh perspective on film studies and cultural history.

**Journey Through the Video Game World** Ashad Mukadam, 2014-08-20 In February 2013 Ronald Charlton was laid off from his job at Pacific IT and Consulting in Calgary Alberta Canada. Soon after he decided to start playing video games initially as a way to just let out some steam. However it is now August and he has still not stopped playing. He only seems to get off of the couch when he goes to eat, sleep, and work out. This is now starting to affect the relationships he has with his parents Monica and Harold and his brother Mitch and especially with his girlfriend Dawna Langston. Then on a rainy day in August 2013 a major thunderstorm hits Calgary. Ronald who has been playing throughout the storm is just about to hit a new high score on his video game when lightning strikes the console causing an electrical current to travel down the wire to his controller which then surrounds him and transports him to the video game world. He soon finds out from the government of the video game world commonly called The VGG that he must physically play and complete a number of games in a certain order only known to them in order to get home. Ronald along with his guide Pixie then embark on a journey to return Ronald home. Will he make it back to the real world or is Ronald doomed to stay in the video game world forever.
