Always In August:

There's Always August C. Krieger, 2006-10 August is summer fully ripe and about to fall the seasonal fulcrum with one lush foot planted in the heat of July and the other russet tinged by September frost August is a seasonal benediction It is the soothing balm for Spring disappointments It is the recognition that all good things come surely to an end It is the turning point the last call before winter settles in and it holds the sum of all those warm days past and all the cold days ahead in every juicy bite of fruit plucked warm from the vine There is Always August holds that same promise inherent in every succulent word Well seasoned enough to greet life's disappointments and failures with as much passion as the triumphs C J Krieger is a well seasoned poet whose work is as rich and sweet as a mid August harvest He has home grown his compassionate philosophies into a collection of poetry that is a virtual feast for the heart and mind Best enjoyed with a tomato fresh from the garden Sandra Erickson [A Study Guide for August Wilson's The Piano Lesson](#) Gale, Cengage Learning, 2015-09-24
