The Beginnings of Dutch Immigration to Western Michigan, 1846 Henry Stephen Lucas,1922* *Glimpses of the Early Dutch Settlements in Michigan* Lewis George Vander Velde,1947 *Immigrants in American History* Elliott Robert Barkan,2013-01-17 This encyclopedia is a unique collection of entries covering the arrival adaptation and integration of immigrants into American culture from the 1500s to 2010 Few topics inspire such debate among American citizens as the issue of immigration in the United States Yet it is the steady influx of foreigners into America over 400 years that has shaped the social character of the United States and has favorably positioned this country for globalization

Immigrants in American History Arrival Adaptation and Integration is a chronological study of the migration of various ethnic groups to the United States from 1500 to the present day This multivolume collection explores dozens of immigrant populations in America and delves into major topical issues affecting different groups across time periods For example the first author of the collection profiles African Americans as an example of the effects of involuntary migrations A cross disciplinary approach derived from the contributions of leading scholars in the fields of history sociology cultural development economics political science law and cultural adaptation introduces a comparative analysis of customs beliefs and character among groups and provides insight into the impact of newcomers on American society and culture

A Dutch Settlement in Michigan Aleida J. Pieters,1923 **The United States Catalog** ,1924 Michigan's Lumbertowns Jeremy W. Kilar,1990 Michigan s foremost

lumbertowns flourishing urban industrial centers in the late 19th century faced economic calamity with the depletion of timber supplies by the end of the century Turning to their own resources and reflecting individual cultural identities Saginaw Bay City and Muskegon developed dissimilar strategies to sustain their urban industrial status This study is a comprehensive history of these lumbertowns from their inception as frontier settlements to their emergence as reshaped industrial centers Primarily an examination of the role of the entrepreneur in urban economic development Michigan Lumbertowns considers the extent to which the entrepreneurial approach was influenced by each city s cultural ethnic construct and its social history More than a narrative history it is a study of violence business and social change

Ethnic Landscapes of America John A. Cross,2017-06-19 This volume provides a comprehensive catalog of how various ethnic groups in the United States of America have differently shaped their cultural landscape Author John Cross links an overview of the spatial distributions of many of the ethnic populations of the United States with highly detailed discussions of specific local cultural landscapes associated with various ethnic groups This book provides coverage of several ethnic groups that were omitted from previous literature including Italian Americans Chinese Americans Japanese Americans and Arab Americans plus several smaller European ethnic populations The book is organized to provide an overview of each of the substantive ethnic landscapes in the United States Between its introduction and conclusion which looks towards the future the chapters on the various ethnic landscapes are arranged roughly in chronological order such that the timing of the earliest significant surviving landscape contribution determines the order the groups will be viewed Within each chapter the contemporary and historical spatial distribution of the ethnic groups are described the historical geography of the group s settlement is reviewed and the salient aspects of material culture that characterize or distinguish the group s ethnic landscape are discussed

Ethnic Landscapes of America is designed for use in the classroom as a textbook or as a reader in a North American regional course or a cultural geography course This volume also can function as a detailed summary reference that should be of interest to geographers historians ethnic scholars other social scientists and the educated public who wish to understand the visible elements of material culture that various ethnic populations have created on the landscape
