**Blood Red Moon** Edward Gorman,1995-01-12      **The Rapture 2028: America's Countdown to Apocalypse!** David Netherton,2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God's will today 2 Peter 3:9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16:13-14      **The Secret Hidden in Plain Sight** Hoppy Bishop,2014-05-23 God and Christ desperately want us to know what Satan has been able to obscure and hide from mankind Christ had one simple message he told everyone We don't know what God and Christ desperately want us to know The truth is in Scripture and the keys to unlocking the secrets are available to this generation This book will open your eyes to unbelievable truths The story is so fantastic that it eclipses fiction and much of what we have discovered flies in the face of inherited beliefs We must be prepared to consider Scripture confirmed by history current events and new scientific discoveries God's holy day memorial commands and observances detail what has happened and what will surely happen again The news is good for believers and those who are willing follow a simplified plan to understand what your Bible has to say about God's purpose to save all mankind Somehow we have lost our way and the secret is hidden in plain sight It is in your Bible but roadblocks have crept into our interpretations and our understanding that frustrate the efforts of what God and Christ have to say Once you begin to challenge yourself to dig deeper you will see and understand more of what God would have you know There are signs and wonders in Scripture in memorial observances and in the heavens that will open your eyes to fantastic events around us right now      **Earthquake Resurrection** David W. Lowe,2005-08 EARTHQUAKE RESURRECTION presents a model for future events that will challenge the traditional

interpretation of the prophecies of the Bible Discover a shocking link between the resurrection of the dead and earthquakes which has momentous implications for a near future global catastrophe which according to Jesus and the apostle Paul many will not escape Reviews a You must get this printed It is superior to anything we have ever read on the resurrection Every minister in the world should read it a a Beulah Leslie ARa Your book deserves the attention of every serious student of Bible prophecy a a Gail Vancouver WAa Your study opened up more of the Bible to me than I had ever known a a Stephen Shoreview MNa This changes everything Prophecy teachers are going to have to change what they are teaching because of this book a a Terrence Brooklyn NY **End Times Made Easy** Joseph Morris,2022-06-21 75 Signs of Jesus Soon Return As the world grows more volatile with looming wars rampant pandemics and violence in the streets many people are wondering Is the end near YES But it is wonderful news Jesus is coming soon Sure there is plenty of bad news on the horizon but not for the Christian Jesus rsquo **Forgiveness Is The Key** Lorenza Palomino,2023-02-09 Forgive God for letting you live in a world of fear pain and sorrow Forgive yourself for asking to be born to experience a world of fear pain and sorrow Forgive all humanity from one end of the world to the other for all the wrong things you think they have done to you and your love ones Forgive the lion that clawed you forgive the bear that attacked you Forgive the ants that flood your counter top forgive the cockroaches that infest your floors forgive the spiders that fang you as you sleep Forgive the tree that timbered on your rooftop forgive the poison oak that infected your skin Forgive viruses bacteria and cells that make you feel the painful effects of illness forgive the pollen dander and foods that give the illusion of allergies Forgive all life and let the domino effect fall where it may Send good and positive energy that will flow through the current of the air ultimately reaching the universe where it will boomerang mind to mind life to life Remember to thank God and the universe for the domino and boomerang effect through forgiveness Remember forgiveness breaks the chains of bondage of all life Forgiveness releases you and them from the burdens of prison I forgive you and your chains and mine are broken We are now free to be Let the domino effect sweep through and let the boomerang effect soar through the core of your mind and heart where the spirit will be awakened because it remembers truth I recognize and understand fully how controversial some of this poetry is Controversial comes from many various beliefs what we choose to believe sadness and where we are spiritually We are certainly free to choose what we will believe but one day we will all be in the same place of truth even though we may not foresee it as of yet The brutal things we do to one another are very heartbreaking full of sorrow But forgiveness lets you keep your peace strength and power Enjoy the pleasures of life to balance out the pains we endure In spite of accepting the truth of what I have asked for I choose to remain humble and value compassion of all the suffering we encounter in our lives and all over the world This world certainly needs salvation and forgiveness will save all of us for forgiveness is the key and you are the key Always remember God willed us back home to Him before we were even born Heaven is where we come from Heaven is our home where freedom is limitless and love reigns forever I send my wishes and desires of forgiveness and love and righteousness
