Eyewitness Bloody Sunday Don Mullan, 2002 Within days of the killing of 13 unarmed civilians and the wounding of 14 others on Bloody Sunday more than 500 eyewitness testimonies were recorded for presentation to the Widgery Tribunal but only 15 were considered The first edition of Eyewitness Bloody Sunday brought to light 100 witness statements that were officially ignored for more than two decades This book had a phenomenal and far reaching impact profoundly weakening the official version of the events of January 30 1972 In addition to giving a voice to the civilian demonstrators who witnessed the events of Bloody Sunday it exposed facts supporting the hypothesis that snipers in the vicinity of the old Derry Walls might have shot dead three of the victims With the Saville inquiry now into its second year of

investigations this book has become a pivotal source of firsthand evidence about what really happened on that tragic day

on their expertise in the fields of literature cultural theory media studies and visual art the authors have produced a thoroughly interdisciplinary approach towards the many representations that claim with varying degrees of confidence to tell the story of what really happened on the streets of the Bogside on the afternoon of January 30 1972 *The SAGE Encyclopedia of War: Social Science Perspectives* Paul Joseph,2016-06-15 Traditional explorations of war look through the lens of history and military science focusing on big events big battles and big generals By contrast The SAGE Encyclopedia of War Social Science Perspective views war through the lens of the social sciences looking at the causes processes and effects of war and drawing from a vast group of fields such as communication and mass media economics political science and law psychology and sociology Key features include More than 650 entries organized in an A to Z format authored and signed by key academics in the field Entries conclude with cross references and further readings aiding the researcher further in their research journeys An alternative Reader s Guide table of contents groups articles by disciplinary areas and by broad themes A helpful Resource Guide directing researchers to classic books journals and electronic resources for more in depth study This important and distinctive work will be a key reference for all researchers in the fields of political science international relations and sociology **Fortnight** ,2004 *Recovering Memory* Hedda Friberg,Irene Gilsenan Nordin,Lene Yding Pedersen,2009-03-26 Various ways of collecting storing and recovering memories have been the focus of the most recent joint research project carried out by a group of Irish Studies scholars all based in the Nordic countries and members of the Nordic Irish Studies Network NISN The result of the project Recovering Memory Irish Representations of Past and Present is a collection of essays which examines the theme of memory in Irish literature and culture against the theoretical background of the philosophical discourse of modernity Offering a wide range of perspectives this volume examines a plurality of representations past and present of memory both public and private and the intersection between collective memory and individual in modern Ireland Also explored is the relation between memory and identity national and private as well as questions of subjectivity and the construction of the self Given Ireland s tragic past and its long history of colonisation it is inevitable that various aspects of memory in terms of nationality post colonialism and politics also have bearing on this study The volume is divided into five sections each of which examines one broadly defined aspect of memory The introductory section focuses on memory and history and is followed by sections on memory and autobiography place identity and memory in the work of novelist John Banville Within each section the individual writers engage in a fruitful dialogue with each other and with the approaches of such theorists as Arendt Husserl Merleau Ponty Ricoeur and Baudrillard Obsession, Compulsion, Collection Banff Centre for the Arts,Walter Phillips Gallery,2004 This book is a compilation of essays by leading Canadian and international curators and artists that explores the role of the art object in a broader context of visual and display culture The book analyzes the human impulse to collect and the social context rhetoric politics and science associated with cultural collections BACK COVER Report of the Bloody Sunday Inquiry (Hc) Lord Saville of Newdigate,William

Hoyt, John L. Toohey, 2016-10-30 On 29th January 1998 the House of Commons resolved that it was expedient that a tribunal be established for inquiring into a definite matter of urgent public importance namely the events on Sunday 30 January 1972 which led to loss of life in connection with the procession in Londonderry on that day taking account of any new information relevant to events on that day On 2nd February 1998 the House of Lords also passed this resolution With the exception of the last 12 words these terms of reference are virtually identical to those for a previous Inquiry held by Lord Widgery then the Lord Chief Justice in 1972 Both inquiries were conducted under the provisions of the Tribunals of Inquiry Evidence Act 1921 In his statement to the House of Commons on 29th January 1998 the Prime Minister The Rt Hon Tony Blair MP said that the timescale within which Lord Widgery produced his report meant that he was not able to consider all the evidence that might have been available He added that since that report much new material had come to light about the events of the day In those circumstances he announced We believe that the weight of material now available is such that the events require re examination We believe that the only course that will lead to public confidence in the results of any further investigation is to set up a full scale judicial inquiry into Bloody Sunday The Prime Minister made clear that the Inquiry should be allowed the time necessary to cover thoroughly and completely all the evidence now available The collection analysis hearing and consideration of this evidence which is voluminous have necessarily required a substantial period of time The Tribunal originally consisted of The Rt Hon the Lord Saville of Newdigate a Lord of Appeal in Ordinary The Hon William Hoyt OC formerly the Chief Justice of New Brunswick Canada and The Rt Hon Sir Edward Somers formerly a member of the New Zealand Court of Appeal Before the Tribunal began hearing oral evidence Sir Edward Somers retired through ill health The Hon John Toohey AC formerly a Justice of the High Court of Australia took his place Lord Saville acted throughout as the Chairman of the Inquiry

Eyewitness Bloody Sunday Don Mullan, 1998 In January 1997 Eyewitness Bloody Sunday was published to controversy and in the ensuing months became the catalyst in the campaign for justice for the families of the 13 victims of the Bloody Sunday massacre Along with the Channel 4 documentary which was based on the book Eyewitness Bloody Sunday led to the announcement of a new tribunal of enquiry to re examine the evidence which was heard and more importantly that was rejected by the discredited Widgery Tribunal
