FUNNY-SIDE UP! Anuradha Paul, 2023-10-04 Human beings they say are the only creatures that can laugh if you don't count the hyena that is This little book is intended to tickle one's funny bone and generate exactly that laughter The work is therefore targeted at a reader with the ability to laugh And everyone can if they choose to Humour is a stress buster the much needed comic relief that's always oxygen when life gets tough and who doesn't have tiresome moments If they have the morning happiness with their sunny side up fried egg so too they may enjoy Funny Side Up Although the poems here are generally under the head of Humour they are a medley of pure fun nonsense satire and tongue in cheek Anuradha Paul has happily indulged in poetic licence and has not only played on words but coined them too Her poetry is said to provide comic relief at poetry meets where they say she conjures up the funny side of life out of the work a day kitchen food parking kids the computer and of course the literary page Humour is not a subject but a way of looking at things In fact when things get too serious all the equipment one has left in one's armory is the ability to view things with a pinch of humour that can lighten the load The fun has been enhanced by Rohan Chakravarty's cartoons He has conceived the character Anna a yours truly look alike who he threads right through all the cartoons in this little book like a comic refrain Cover Design Rohan Chakravarty

Dream Girl SANJEEV SRIVASTAVA, 2015-01-07 DREAM GIRL Set Free is the story of a man who has just come out of a good job following his Boss due to their friendship The Boss places his trust in him yet again but this time with a project that is entirely removed from what he has been doing so far in life He takes up the challenge partly owing to lack of something else to do and partly due to the very attractive offer that the Boss puts out to him He finds himself all alone and in strange waters the Boss is placed elsewhere and beyond regular touch He needs someone to share his fears and apprehensions with His family is the centre of his world But he knows better than to burden them with his problems and so he turns to his pet dog and finds in her silent acceptance an ideal anchor for that particular phase of his life like many of us who do find or create temporary anchors in life for the various phases of our lives As his project hits success his life starts to fall apart and it all ends with the death of his pet dog and on that very day he gets another chance at life Life goes on Will he make another anchor for the next phase of his life The story leaves us at speculation and expectation Told in a manner similar to Wodehouse it has its underlying humour swelling and ebbing through the course of the narrative and would keep the reader entertained throughout *Unto Each Man His Own* Samuel Gordon, 1904 **American Review**, 1852 *The American Whig Review*, 1852 **The Last Stuart Queen: Louise, Countess of Albany** Herbert Millingchamp Vaughan, 1910 **The Selborne Magazine and**
