Come and I Will Sing You Genevieve Lehr, 1985 Newfoundlanders have long and lustily sung their folksongs and the tradition remains strong today Despite modern influences the old songs persist mixed with new songs that are composed to record the events of our time This is the first major collection of Newfoundland folksongs compiled and edited by native Newfoundlanders It concentrates on songs of local composition largely ignored by earlier collectors and presents a significant number of songs never before published For most of the last decade Lehr and Best have been travelling around the island recording the voices and favourite songs of anyone young and old who would perform Recordings took place in family kitchens on stage heads and in trap stores while the singer knitted twine or repaired lobster pots aboard ships at anchor or en route to some small deserted harbour Humming engines blowing oilstoves or clattering supper dishes provided accompaniment The 120 songs collected here by Lehr and Best have been transcribed by Pamela Morgan and illustrated by Elly Cohen Some recall the distant past of a long and rich seafaring tradition others tell of such recent tragedies as the displacement of outport people and the sinking of the *Ocean Ranger* The selection represents the state of the folk song in Newfoundland today in some part it documents what is lost and forgotten but it also celebrates what has survived and thrives

[2020 the Campaign Chronicles](#) JD Foster, 2021-02-17 The 2020 campaign began with the 2016 election of Donald J Trump and effectively rendered a verdict on his presidency The Democartic Party sifted through a small army of worthies to defeat Trump and in former Vice President Joe Biden they found their champion Biden claimed the nomination following a phoenix like rise propelled by a miraculous South Carolina primary victory Backed by the party establishment and the mainstream media Biden s weak campaign proved sufficient by a handful of votes in a handful of states and leaving Biden with little mandate other than to avoid being like Trump The story of the 2020 election is in part a story of America and the Trump presidency a stormy marriage of highs and lows shaped by contrived investigations into Russian

government interference a failed impeachment a welcomed intolerance for sexual harassment the exposure of deep racial divisions highlighted by widespread and often violent rioting accompanied by a re examination of the role of the police a strong economy until crushed by the coronavirus pandemic and then the pandemic tragedy itself The Trump presidency s four years astounded for better or for worse depending on point of view This book chronicles the 2020 election and thus the events that shaped the election over the course of four years written contemporaneously to capture the flavor of the moment praising and criticizing Trump and his many antagonists in equal measure Those enamored of the former president will find succor and outrage as will those who delighted in his defeat Those seeking to understand what happened will find the reading interesting infuriating and perhaps in places illuminating
