homestead a city would rise and identify itself after Chief Mankato of the Mdewakanton Sioux Pa and the twins worked hard to turn that rich black earth into life and subsistence for his wife and five younguns When the unpredictable weather fought his labor and sweat and the land turned against him survival rose to new heights And Pa caught the dream of the new land It was 1848 Pa followed his dream he was taking his family to the Promised Land a land called California Pa taught his family that God will not shut a door without opening a window He said it was Gods Way of leading His Children And during these hard times Pa added that it was the North wind that made the Vikings What he didnt tell Laurin his 17 year old daughter was how small and difficult getting through that window might be or how long and strong that North wind might blow Laurin like her father dreamed big until tragedy struck When cholera claimed the lives of her parents and older brothers in the Humboldt Sink she had to find that window set her own sail against that staunch wind Only she remained to do it She had to find a way not just to survive the trek over the Sierra and into California but to survive and be safe once they arrived in this untamed land dominated by men gold and greed It wasnt for herself but for her younger brother age 7 and sister age 4 They were her responsibility their future their very lives depended upon her They couldnt go back there was no back She loved them she had to find a way Join Laurin as she transforms into Hardluck Lin and becomes a part of the early history of the California Gold Rush
