500 Prayers Against Spiritual Attack Dr. Olusola Coker, 2018-09-01 This Book Contains 500 Powerful prayers against the powers of darkness Evil forces Powers of the Witches and all rulers of darkness of this world According to Ephesians 6:12 which states For we wrestle not against flesh and blood but against principalities against powers of darkness against spiritual wickedness in high places When considering Prayers against the powers of darkness we need to understand that we are in a war Battles make up smaller components of the bigger picture By definition battles involve combat between two persons between factions between armies and they consist of any type of extended contest struggle or controversy As Christians we are in a spiritual battle of some sort on a daily basis

In warfare battles are fought on different fronts for different reasons and with varying degrees of intensity The same is true in spiritual warfare Our spiritual battles and warfare are real though we cannot physically see the attacker But we can educate ourselves on how the battles are fought and how they impact our lives on a daily basis We have to ask ourselves Why do we even want to fight It will do us no good to educate ourselves on the battle if we see no reason for the fight War is very controversial today in the physical realm Those attitudes beliefs and convictions will transfer over to the spiritual realm However in the spiritual realm there is a battle going on regardless of our opinion We are either victors or victims Jesus has come and conquered The war is already won in the heavens Jesus told us in Matthew 28 18 that All authority has been given to me in heaven and on earth We now have the privilege of having an eternal relationship with God Many of us enter into that covenant of salvation by grace But the Matthew 28 18 verse is not only about our salvation it is also about our every day victory which adds up to victorious living in Christ Every day victory is achieved by knowing believing and understanding the battles that we are enduring daily regardless if we are passive or active in the battles Do you want all that God has for you on this earth right now or do you want to wait until you get to heaven to receive the victory and blessings In this Book you will understand the Battle of Spiritual Warfare together with over 500 prayers that will enable you to fight the powers of darkness and be victorious The prayers ensure that you will recover all your possessions and your God given potentials in you You will also get back all that the Devil has taken away from you Are you facing the following challenges living in an anti Christ nature and following their Doctrine Living out of faith Sexual temptations for unmarried Sexual harassment Divorce Destruction of life Poverty Lack of focus Confusion Homosexualisim Lesbianism Drug Addiction Joblessness No sense of Direction Confusion Lazy to Prayer Not willing to server God and many more *Breaking Generational Curses* Don Nori,2011-07-28 Who among us wants our children to be free from the struggles we have had to bear Who among us wants the hard earned lessons from our lives given freely to our children You can be one of those who share the excitement and joy of seeing your children step into the destiny that God has for them **Occult Mastery: A Practical Guide To Black Magic And Forbidden Arts** Dayanara Blue Star,2020-07-27 Occult Mastery A Practical Guide To Black Magic And Forbidden Arts is an in depth exploration of the dark arts and occult practices This comprehensive book delves into the origins of black magic its history throughout ancient civilizations and the role of cults and secret societies It provides practical insights into harnessing dark energy performing rituals and spells and understanding the influence of planetary alignments The book also delves into summoning and binding entities including conjuring demons controlling spirits and creating pacts with otherworldly beings It uncovers the art of curses and hexes teaching readers the methods of casting malevolent spells and breaking curses Necromancy and spirit communication are covered extensively covering the ability to speak with the dead raise the departed and utilize necromantic energies The guide further explores forbidden knowledge and ancient texts focusing on books of forbidden lore unlocking arcane wisdom and translating ancient scripts Dark alchemy and
