

A detailed stone relief from a Maya temple. The central focus is a carved scene featuring two figures. On the left, a figure with a large, feathered headdress and a necklace is shown in profile, facing right. On the right, another figure, also with a headdress and necklace, is shown facing left. Between them is a large, stylized symbol, possibly a bird or a deity. The entire scene is set within a rectangular frame decorated with intricate scrollwork and hieroglyphs. Below the main relief, a horizontal band contains a continuous line of hieroglyphic text. The stone is a warm, reddish-brown color, and the lighting highlights the depth of the carvings.
