## **Breath Of God:**

**Breath of God** Eddie Lawrence,2006-05-30 Just as we desire a close relationship with God our Father so does He long to draw us to His side In this in depth biblical study Dr Eddie Lawrence looks closely at our natural longing for God and he shows us how our pursuit of true intimacy with the Lord can help determine our destiny Let Dr Lawrence demonstrate for you how to find your true purpose for this life by receiving your Breath of God through the Holy Spirit *The Breath of God*

Etienne Veto,2019-11-27 The Holy Spirit is in a way the most mysterious of the three names of God For many it is the unknown God Acts 17 23 How can a Spirit be love How can it be a person What role can a Spirit have in the trinitarian relations In *The Breath of God* Vet argues that a more exact comprehension of the third divine person can be reached by considering the way it acts in the economy of salvation and how it reveals itself in its scriptural names Ruah and Pneuma breath or wind Just as in the eternal life of God the Father and the Son are precisely what their names designate likewise the Holy Spirit is the Breath of God The procession of the Spirit is the breathing out of the Father into the Son the communication of one intimacy into another and the breathing back of the Son into the Father This leads to reshaping many aspects of trinitarian theology in particular divine personhood It is also fruitful for the believer s life of prayer because it offers a better understanding of the distinct relationship one can have to Father Son and Spirit **The Magnificent**

**Goodness of God and How It Will Transform Your Life** Timothy Rowe,2012-07-10 The goodness of God is one of the most revolutionary truths of the Bible but our generation has lost faith in the goodness of God The image you carry in your heart of God and what He is like will dramatically affect your life character and destiny Do you believe God can be your hero Do you believe God has a good heart Do you believe that God can transform you into the type of Christian that you always wanted to be When we begin to understand and believe what it means when the Bible boldly declares that God is good always our lives will begin a breathtaking transformation as we rise up to be a mighty witness for our Lord Anyone who has been touched with the goodness of God cannot come away the same The goodness of God encompasses everything that God is and is a perfect representation of all His characteristics The goodness of God is the foundation of all His works plans and purposes If we are to understand what God is like we must first know that He is good and not evil The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world and marshals all of his forces to cause confusion about the true character of our God The goodness of God is the pinnacle point of the spiritual battle that rages all around us Understanding the goodness of God is first and foremost in spiritual warfare because without this you can never stand for God faithfully [The History of God in His Union with Man](#) Witness Lee,1993-04 **The Whisper of God's Wisdom**

Anthony Petrone,2026-03-31 What if God s voice has never stopped speaking Perhaps we ve forgotten how to listen *The Whisper of God s Wisdom* is a poetic and theologically rich exploration of how God reveals Himself not only through Scripture but through the natural world With the soul of a pastor and insight of a philosopher Anthony Petrone leads readers

through galaxies and grains of sand entropy and ecosystems asking what these wonders tell us about the Creator's heart This is not a book of arguments but of invitation to slow down pay attention and hear again the still small voice that speaks through all things Blending theology science and sacred reflection this book uniquely bridges ancient wisdom and modern curiosity Each chapter offers a thoughtful meditation on the elements of creation light wind time order drawing out the ways in which divine truth whispers through it all If you long to rediscover reverence deepen your understanding of God and rekindle your sense of awe *The Whisper of God's Wisdom* will be a faithful companion *The Breath of God* John Miller, Melissa Miller, 2020-11-19 Is it possible to live so close to God in daily fellowship that you metaphorically feel His breath refreshing your life Are you ready to launch out into the deep with God Raise your sails and prepare to have them filled with the breath wind of God's empowering Spirit Drawing from Biblical insights and personal testimonies after 30 years in ministry John and Melissa Miller invite you to accompany them on this adventure of learning to walk in the spirit A powerful resource for your personal life or small group studies **The Breath of God** Irma Elizabeth Diaz, 2000 Rev Irma Diaz has skillfully drawn a treasure map for God's people who are hungry and willing to dig for the treasure God has already deposited within them *The Breath of God* is a must read for any serious Christian who longs for the heavenly consummation of the greatest union of all time *The American Sentinel*, 1930 *The Ministry of the Word, Vol. 22, No. 05* Various Authors, 2018-05-01 This issue of *The Ministry of the Word* contains the final eight messages given during the fall 2017 term of the full time training in Anaheim California The general subject of this series of messages is *The Crucial Revelation of Life in the Scriptures* God's ultimate intention is to gain a corporate God man for His corporate manifestation The intrinsic element of God's eternal economy is that the Triune God in humanity the wonderful Christ as the Spirit of the glorified Jesus is sown into God's chosen people as the seed of life the seed of God so that He might grow in them live in them develop in them and be expressed from within them as the farm of God for the building up of the church as the house of God and the kingdom of God The seed of life is actually God in Christ as the Spirit through His word sown into us This seed contains everything related to God's economy to the divine life and to the growth development and function of that life The seed of life is not only a substance a reproductive element or an essence but also a person the all inclusive Christ The seed of life sown into us needs to grow to maturity so that we may be the kingdom of God In resurrection Christ became a life giving Spirit for imparting life The life giving Spirit is the extract the essence the concentrated form of the all inclusive Christ The totality of all that the all inclusive Christ is as the life giving Spirit is for our experience and enjoyment Without the experience of Christ as the life giving Spirit the Lord cannot have His Body If we never have any experience or enjoyment we will never grow There is always a spiritual war related to the growth in life If the enemy cannot stop the sowing of the seed then he will do everything he can with every believer to prevent the seed from growing to maturity However there is a fighting element in this seed The only way to enter into the coming kingdom is to grow into the kingdom Second Peter 1:5-11 reveals that our

growth in life to maturity becomes an entrance into the kingdom richly supplied to us The law of the Spirit of life is the subject of Romans 8 God s life is the highest life and the law of this life is the highest law The law of the Spirit of life is not a thing but a person the processed and consummated Triune God embodied in Christ and realized as a living law in our spirit This law of life is the spontaneous power the natural characteristic and the innate automatic function of the divine life While we remain in touch with the Lord staying in contact with Him the law of the Spirit of life works automatically spontaneously and effortlessly to dispense God as life into our being and to overcome the law of sin and of death vv 10 6 11 We activate the law of the Spirit of life by remaining in touch with the Lord We need to cooperate with the indwelling installed automatic and inner operating God by prayer and by having a spirit of dependence thus maintaining our fellowship with the Lord of life and the Lord of work Romans 8 reveals that the processed Triune God as the law of the Spirit of life gives the divine life to the believers for their living There are four laws in Romans 7 and 8 One law is outside of us and the other three correspond to the three lives that are within us as regenerated persons Outside of us is the law of God the law of moral commandments which is a portrait of God Within us is the law of sin and of death in our flesh the law of good in our soul and the law of the Spirit of life in our spirit The only way we can match and become the living portrait of God is by living according to the law of the Spirit of life in our spirit God s desire and goal are that we live by the divine life and minister life to others for the building up of the church The all inclusive indwelling Spirit is constantly transmitting this life into each one of us to build up the church edify the saints and minister the riches of Christ to everyone who contacts us In Romans 8 we also see that the desire of God s heart is to have many sons for His corporate expression v 29 The Father sent His Son who was born under the law and born through a woman to redeem us out from under the law Having redeemed us He sent forth the Spirit of His Son into our hearts crying Abba Father Gal 4 6 Now our spirit has become a spirit of sonship As the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God We are to be conformed to the image of God s firstborn Son Christ as the first God man that we may be a group of God men who are exactly like Him Paul s Epistle to the Romans reveals God s complete salvation in two aspects God s judicial redemption is the procedure of God s complete salvation for the believers to participate in God s organic salvation as the purpose of the complete salvation of God Redemption entails the forgiveness of all our sins reconciliation positional sanctification and justification God s organic salvation is the organic aspect of God s complete salvation through the life of God Rom 1 17b Acts 11 18 Rom 5 10b 17b 18b 21b as the purpose of God s salvation accomplishing all that God wants to achieve in the believers in His economy through His divine life Gen 2 9 Rev 22 14 Organic salvation entails regeneration with God s life sanctification with God s holy nature renewing with God s element transformation with God s being conformation into God s image and glorification which is our full sonship Glorification sonizes our whole being from spirit to soul to body All the items of God s organic salvation are carried out by Christ as the life giving Spirit in His heavenly ministry organically and subjectively Being saved in His life is

actually the process of resurrection with the resurrection life of Christ as the element increasingly taking place in our inner being so that we are sanctified which is to be saturated with God's holy nature. It is in resurrection that we are renewed, we walk in newness of life and we serve in newness of spirit. Rom 6:4-7:6. The experience of God's organic salvation equals reigning in Christ's life. The issue of our reigning in life, living under the ruling of the divine life, is the real and practical Body life expressed in the church life. 12:1-4, 9:12-15, 18. The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe.

*The City of God* Saint Augustine (of Hippo), 1888      *The Breath of God* Nancy Roth, 1990-01-01 Roth focuses on the image of breath as the Spirit of God that is the source of our life. She draws on the resources of Christian body prayer to teach contemplative, reflective, and verbal prayer and prayer through action and life.

When God Breathes may sound like there may be times when God does not breathe. On the contrary, God is breath. Without the breath of God, there would be no life, and if God stopped breathing out, we would stop breathing in. Not only does the breath of God impart life, but His breath is also the only thing that can sustain life. When God formed the physical body from the dust of the ground for humanity to live in, it was lifeless. And the Lord God formed man from the dust of the ground. Genesis 2:7 NKJV. The physical body was created vacant. It was only a suit for the spirit and soul to live in. The body in and of itself cannot know God, love God, or serve God. It was formed with no life residing within. But when God breathes, things come alive. Now humanity has the ability to know God, love God, and to serve God. What made this possible? Join the author as he explores how God imparted His divine nature into Adam and how the breath of God keeps us from coming apart.
