Breathing Movement Exploration:

Breathing, Movement, Exploration Barbara Sellers-Young, 2001-09 Applause Books Breathing Movement Exploration is a groundbreaking approach to how to use your body Barbara Sellers Young combines body mechanics and eastern and western philosophy to create a new visceral awareness of the performance process Its simple step by step structure enables the reader to learn the concepts of Laban and Stanislavski while exploring eastern ideas of breath and energy Breathing Movement Exploration is a useful blueprint for how to use your body on stage It speaks to professionals as well as anyone fascinated by the inner process of an actor s training or to gain cognitive and physical insight into one s own self An Approach to Movement Exploration Susan E. illustrated with more than 200 step by step photographs These exercises teach actors relaxation techniques correct posture and alignment and breath control They are then further explored and applied to character development In the characterization phase scenes from such plays as Sam Shepard s True West are the basis for more physical work which is also fully illustrated
